Von Charlotte Stein : Deep Desires before purchasing it in order to gauge whether or not it would be worth my time, and all praised Deep Desires:

Deep Desires Von Winnifred For me, Charlotte Stein is in a league of her own regarding the writing of erotic romance. I don't know any other author who can write such intense, deeply erotic, kinky and sometimes peculiar erotic romances. When

I read one of her books I always feel as if the characters are in a world of their own. The same happens in this novella. Abbie and Ivan are both emotionally scarred and shy away from contact with other people but are still irrevocably drawn to each other. There isn't a lot of dialogue between the two of them and they get to know each other more through erotic encounters than anything else. But that's what I really love about Charlotte Stein's writing. There isn't just sex in her books, no the characters actually are getting to know each other through it and learn to get over their emotional obstacles and heal their wounds with it. At times, you wouldn't think there is an Happily Ever After for them but the book gets you there in a way you wouldn't have expected. Even though it is a novella (and I wished it would have been longer, especially the end) it never feels rushed or the actions of the characters not explained enough. If you're looking for an erotic and stunningly filthy romance book and a fairly quick read I would absolutely recommend this one to you!

Kurzbeschreibung Abbie has done her best to escape her violent past. But in the process, she's avoided love, life and desire. So when she sees her equally closed off neighbour, Ivan, performing for her one night through his window, she can't stop looking. Deep Desires is an intense, sensual read perfect for anyone lusting after more than Fifty Shades. Voyeuristic pleasures become Abbie Gough's lifeline. But as she comes alive and craves more, Ivan backs away. Ivan has his own secrets, the kind that draw Abbie into kinky games and her own shameful desires, while also preventing the bond of real intimacy between them. Now she's found someone so special, she's not about to give up easily. And Abbie is willing to do whatever it takes to melt Ivan's dark and cool exterior. Even if captivating him means pushing through her limits to whatever lies beyond.
