Reacher to go, bitte! Von Christian Johanna Mit einer Kurzgeschichte verkrzt uns Lee Child die Wartezeit auf das nchste Abenteuer mit Jack Reacher. Wie bereits in The Affair (The Affair: A Jack Reacher Novel) spielt die Geschichte in der Vergangenheit von Reacher. Zwischen seinen Stationierungen in Frankfurt und Korea beordert ihn die Army 1986 nach Washington. Hier soll der smarte Haudrauf einen Verrter enttarnen; oder besser gesagt eine Verrterin. Denn der Kreis der Verdchtigen ist ein rein weiblicher. In DC angekommen wird Reacher gebrieft. Dabei erinnert die Unterhaltung mit seinem Vorgesetzten, Colonel Cornelius Christopher, stark an die wunderbaren Dialoge mit Reachers Mentor Garber. Dass spter an Action nicht gespart wird, dass die ein oder andere Nase dem Ellenbogen des heimatlosen Hnen zerschellt, dass Reacher alles durchschaut, blitzschnell rechnet und agiert bevor es andere tun, ist nicht zu viel verraten. Diese Reacher-Story ist ein groer Genuss fr zwischendurch, ein Muss fr jede Reacher creature und ein leichter Einstieg fr all die armen Leute, die Reacher noch nicht kennen. Nach drei Vierteln des Kindle-Dokuments ist der Spa leider schon wieder vorbei. Dafr gibt es einen Teaser zum kommenden Abenteuer mit Reacher (A Wanted Man (Jack Reacher)), das ihn nach zwei Jahren endlich nach Virginia fhrt, wo schlimme Schurken Menschen um Ecken bringen, um die zufllig Reacher kurvt und wo bereits eine attraktive Frau darauf wartet, dem Charme des Ex-MPs zu erliegen. 2 von 2 Kunden fanden die folgende Rezension hilfreich. Reacher in der Army Von Thefrenchguy Hier kann man nochmal Jack Reacher in der Army erleben. Es ist eine Kurzgeschichte, dementsprechend kann Lee Child die Story nicht vertiefen. Man erkennt jedoch Jack Reacher und seine Fhigkeiten wieder, ein typischer Totschlger mit der Lizenz zum Kopfnussverteilen. Hier setzt er aber mehr sein Gehirn ein, als Leute windelweich zu schlagen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. 4 Jack Reacher short stories Von T. Renzer SECOND SON Josephine and Stan Reacher come to an Okinawa military base with both of their sons: Joe and Jack. Jack is about 13 years old, Joe 2 years older. On the first day they arrive they get in touch with the other kids on the base not friendly. But no fight happens, not yet. While Joe is accused to have stolen the questions of a school test his father Stan realizes that he has lost his secret code book. Than Jack Reacher stumbles straight into a fight 3 stars HIGH HEAT On July 13th 1977 the almost seventeen year old Reacher comes to New York during school holidays. He is on the way to meet his two year older brother. Strolling through New Yorks streets he sees a woman been humiliated by a man. The woman is Jill Hemmingway, a former FBI agent, the man a mobster called Croselli. Young Reacher helps Jill Hemmingway out of the situation, but Croselli swears revenge. And a few hours later they meet again. But suddenly the lights go out 3 stars DEEP DOWN 1986 Reacher is ordered to investigate undercover. One of four women all staff officers is leaking secrets to a foreign firearms manufacturer. Reacher thinks, the best would be to get close to each of them and check things out. While he is reading the files, one of the four gets killed in a traffic accident. So - three left. Reacher, wearing a good shoes and a plain jacket (remember undercover!) now starts to investigate on them. It will not take long since he has one suspect 2 stars SMALL WARS In the spring 1989 LTC Caroline Crawford was stationed as the new War Plans lady in Fort Smith. On the way to the Fort she meets a tall guy named Joe Reacher. He shoots her twice in the chest and once in the head. Miles way Jack Reacher at Benning starts working on hat case with the help of Frances Neagley. And he also calls his brother 2 stars 4 Reacher short stories 3 shorter 1 a bit longer - that not are translated into German so I read them in original. In two stories the younger Reacher acts too much as an adult, that feels a bit strange. But as often. short stories are not Lee Childs strength. The Reacher books are much better, in German and English. So 10:4 makes 2.5 stars in average

Kurzbeschreibung An original short story about Jack Reacher, available exclusively as a separate ebook (also included in the new complete Reacher story collection No Middle Name). Early in his military career, Jack Reacher is ordered undercover in Washington, to discover which one of four women, all staff officers on fast track careers, is leaking secrets. The suggested method: get close to each in turn. The obvious problem: the most receptive will be the guilty one, with an agenda of her own ... to kill the investigation - and the investigator. Child has somehow forged that magical grail: a new and believable hero... when we thought all the heroes had been written.
