Von Lisa T. Bergren : Deep Harbor (Northern Lights) before purchasing it in order to gage whether or not it would be worth my time, and all praised Deep Harbor (Northern Lights):

A book of change and self-discoveryVon Ein KundeDEEP HARBOR is a place of refuge and that's what Lisa Tawn Bergren has created in this second series book following THE CAPTAIN'S BRIDE. Tora and Elsa and Katjaa and the men they love and wound -- who return the emotions; their children and mothers and fathers and friends are all characters who struggle, who deal with the joys and losses of life, who come to terms with who they are spiritually and as members of

families. Readers can find themselves inside this story, well-written in a fast pace that both satisfies and leaves the reader hungering for more. Next year! That's the only trouble with a series book! But we can count on Lisa Bergren to deliver on time!0 von 0 Kunden fanden die folgende Rezension hilfreich. Best yet from Lisa Tawn Bergren!Von Ein KundeI just finished reading DEEP HARBOR. It truly is my favorite of all Lisa Tawn Bergren's works. Her contemporaries are superb, but her historicals are magnificent! I love the way I can settle into the world she has created with her Northern Lights series. The only problem is that I've wanted both CAPTAIN'S BRIDE and DEEP HARBOR to last forever. Hooray, Ms. Bergren! Keep writing! I can't wait for number three!0 von 0 Kunden fanden die folgende Rezension hilfreich. Fabulous! A real page turner.Von Ein KundeIf you have read The Captain's Bride then this is a MUST READ! It continues the story of Peder and Elsa, Karl, Tora and all those you learned about in the first book. The book is so full of real like characters that you feel their pain and their joys. Lisa Tawn Bergren has done it once again. I'm looking forward to Book 3 due out next spring.

KurzbeschreibungThe Northern Lights SeriesBook TwoLisa Tawn Bergren has a straightforward, evocative style of writing that makes her characters breathe. They walk right across the page and straight into your heart. Francine Rivers, author of Redeeming LoveSOME TIES CAN NEVER BE BROKENAs they build new lives in America, Tora, Elsa, Kaatje, and Karl each experience a personal tragedy that threatens to destroy everything they left Norway to find. Toras web of lies has cost her a successful future with the man she loves. When tragedy strikes, Elsa must draw upon her faith and the strength she can muster to discover who she is and the path she must follow. After her husbands disappearance, Kaatje struggles to raise two young daughters and tend her farm, and Karl finds himself caught in a life of loneliness and emptiness. Only by placing their trust in Godand in each otherwill they pass through these rough waters and find the safety of the harbor. From the richly forested banks of the Washington Territory to the burgeoning city of Yokohama and across the turbulent, danger-filled waves of the open seaexperience the epic saga of perseverance, pain, faith, and calling in the Northern Lights series.From the Trade Paperback edition.From Library JournalThe melodramatic lives of three very different immigrant sisters living in the West in the 1880s are documented by Bergren (The Captain's Bride, WaterBrook, 1998) in this historical romance. Action alternates among the women as they struggle not only to exist but to grow closer to God as well. Tora Anders has given up her child to pursue wealth and power as a roadhouse manager for the handsome Trent Storm. Elsa is enjoying an adventurous marriage to a sea captain when an encounter with a pirate threatens to destroy her happiness, and Kaatje raises Tora's daughter along with her own. Since it can be difficult to keep track of the wide range of characters and events, this is best read in series order. Libraries with the first may want to continue with this one.Copyright 1999 Reed Business Information, Inc.PressestimmenI found myself immediately involved in the stories of Elsa and Peder, Kaatje and her wayward husband, Soren, Tora and her quest for wealth and power, and a host of other people who sailed with them to America to fulfill their dreams. Lisa Tawn Bergren has a straightforward, evocative style of writing that makes her characters breathe. They walk right across the page and straight into your heart.Francine Rivers, authorPick of the month. 4 12 stars! Lisa Tawn Bergren is a rare talent in historical fiction, writing with exquisite style as she immerses lucky readers in the powerful emotions of her full-bodied characters. Stay tuned for the next book to continue this exciting trilogy.Romantic Times
