absolutely wonderful book!!!1Von Ein Kundethis book was great! anything of Gwen Bristows is just absolutely heart felt! read Celia Garth by Gwen Bristow. it is a great book taking place during the civil war. i just loved this book.
anyone that has a love for the old romantic south will fall in love w/ this triloligy. crystal2 von 2 Kunden fanden die

folgende Rezension hilfreich. Best series of Books I have ever read!!!! Von Ein Kunde Deep Summer is only the first of 3 books to complete the Plantation Trilogy. The book starts out with a family of 4 heading down from New England in the mid 1700's to start a new life in the Deep South. You will follow this family and many other families all the way to the early 1900's. It is amazing to read and imagine how these people felt during all the ups and downs the Plantation life has to offer them, good and bad!! I recommend this book to everyone who is at all interested in history or just a good ole love story. 3 von 4 Kunden fanden die folgende Rezension hilfreich. History and good love stories Von Ein Kunde I discovered Gwen Bristow in Junior High. I know I've read all of her books at least 3 times since then. The Plantation Trilogy is her best. This one of the three. Too bad it's out of print. Also Calico Palace. I cannot visit San Francisco without seeing the early days through Gwen's writing. She was one of the best historical fiction writers.

Kurzbeschreibung The New York Times bestselling author of Jubilee Trail does a grand job of storytelling in this saga of the pioneers who settled the Louisiana wilderness (The New York Times). For his service in the king's army during the French and Indian War, Judith Sherman's father, a Puritan New Englander, is granted a parcel of land in far-off Louisiana. As the family ventures down the Mississippi to make a new home in the wilderness, Judith meets Philip Larne, an adventurer who travels in the finest clothes Judith has ever seen. He is a rogue, a killer, and a thief and the first thing he steals is Judith's heart. Three thousand acres of untamed jungle, overrun with jaguars, Indians, and pirates, wait for Philip in Louisiana. He and Judith will struggle with their stormy marriage and the challenges of the American Revolution as they strive to build an empire for future generations. This is the first novel in Gwen Bristow's Plantation Trilogy, which also includes The Handsome Road and This Side of Glory.
