Von Jayne Ann Krentz : Deep Waters (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Deep Waters (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. One of her bestVon Deborah MacgillivrayI rank this one With "Absolutely, Positively" "Trust Me" and "Wildest Hearts" as been JAK's best works. It is full of warm witty JAK characters and I loved Charity and Elias!!Charity Truitt is from

the Truitt department store money and they expected her to marry Brett Loftus heir to Loftus Athletic Gear, a marriage of the families and the businesses merged. Only Charity was not going along with well managed plans. Instead, she opens a bookstore in Whispering Waters Cove. A quaint peer, with bunch of eclectic shops and boutiques. Only problem, the owner of the peer died and left the pier to Elias Winters, along with his odd ball shop called Charms Virtues. Land speculation is booming and the peer is either a thorn in the side or a place that will be developed, and everyone is betting that Elias is just waiting to make his move. Only Charity, is marshalling the shop owners, trying to fight the greed mayor and their cronies, and plans to spearhead an open confrontation with Elias. Elias claims he is not going to sell the peer, and plans on running Charms Virtues. She does not full trust him at first, but that does not stop her from being attracted to the controlled man. She finds he is definitely a man where still waters run deep, a martial arts master, former career executive and a man with intense emotions that he keeps them very tightly controlled. Add to the mix the showdown between the shop owners, the town people and a cult waiting for an alien invasion and you have one wonderful book.

2 von 2 Kunden fanden die folgende Rezension hilfreich. Romance with a sense of humor
Von Ein Kunde
Deep Waters was the first contemporary romance novel I ever read, as well as the first JAK book. I have to say, I got totally hooked! I found the Zenny water philosophy of Tal Kek Chara to be an extremely creative addition to the book, and the space-cult storyline was hysterically funny. One of the reviews on the book calls the relationship between Charity and Elias a "Tracy-Hepburn" alliance, and I have to agree. They had such passion, understanding, and (oddly and entertainingly enough) humor. The secondary characters were equally personable. I loved every minute of my reading experience, and Deep Waters is one of the few books in recent memory that I have picked up again and again, and enjoyed just as much each time I read it.

One final note, not really plot-related, but I have to say how much I loved the detail JAK uses in her writing. Charity and Elias's cooking contests had me in stitches -- and rummaging through my cupboards and cookbooks! This is also the only romance novel I have given as a gift. I would highly recommend it to any fan of JAK or intelligent contemporary romance.

Von Customer
I thought this book was a marvelous depiction of contemporary romance. It presented a fascinating philosophy, an intriguing plot, and characters that you want to know personally. Creating a setting full of intrigue and suspense yet not crossing over into melodrama, this story possesses all the qualities of a well-written piece of literature. Remaining entertaining throughout with just enough plot twists to keep one on their toes yet not crossing over into unbelievable, this tale is truly an inspired work. Mirroring the fantastic author Jayne Ann Krentz, this book is a genuine work of art, painting the story so vividly with words that all of the small nuances are captured and put to light. For anyone looking for a good book that will give you both a run for your money and a warm glow, this is it. Another bona fide masterpiece and worth every second spent reading it. It will become a close friend and a true comfort.

Kurzbeschreibung
Charity Truitt and Elias Winter, two of the Pacific Northwests most powerful corporate figures, are both facing crises of career and the heart. Fate has brought them together in Washingtons tiny Whispering Waters Cove, each eager to downsize and simplify. Theyre both determined to avoid mergers of any kind but when they meet, the attraction is nothing short of blue-chip. And they definitely have at least one thing in common: A martial arts master, Elias is a novice at relationships; a formidable former CEO, Charity is starting in the mail room when it comes to love. But when the town is rocked by two shocking murders, Charity and Elias realize that they must join forces to catch a killer. Because behind the towns sleepy facade run currents fed by treacherous secrets and Deep Waters..de

With more bestsellers in the last two years under her various pseudonyms than Michael Crichton and John Grisham combined, there's no denying that Jayne Ann Krentz is one of the reigning queens of romance. In Deep Waters, Krentz demonstrates the quick wit, keen plotting, and expert characterization that took her to the top of her field. Set in the Pacific Northwest, Deep Waters is the story of two powerful corporate players who encounter secrets, lies, and hidden treasure in a quaint coastal town, far from the city lights of Seattle. Charity Truitt can't escape the ever-escalating panic attacks that have plagued her over the last four months. Desperate to escape a loveless engagement and an impending nervous breakdown, Charity flees to Whispering Waters Cove, a tiny seaside community. There Charity meets Elias Winters, a major player in the Pacific Rim trade, a man with a past too painful to forget. When the sleepy town is rocked by a killer on the loose, the two unite to catch the murderer. It's the undeniable connection between the two that runs deep in this passionate tale of intrigue.
