of Teens Read Too Von Teens Read Too Love for Percy Jackson is sweeping readers everywhere -- and not just teens. Other authors love him as well, and they have something to say about him! DEMIGODS AND MONSTERS is a book of essays penned by other authors covering all things Percy Jackson. Jenny Han gives godly parental report cards and asks if you could pick one parent out of the god realm, who would you choose? Rosemary Clement-Moore writes a lesson in recognizing monsters, for beginners, of course. Ellen Steiber attempts to answer why Dionysus isn't a poor choice for the director of Camp Half Blood. Nigel Rodgers writes a glossary of "Who's Who?" in Greek Mythology. Cameron Dokey, Paul Collins, Carolyn MacCullough, Elizabeth M. Rees, Sarah Beth Hurst, Elizabeth E. Wein, Kathi Appelt, and Sophie Masson also write essays that are humorous, clever, odd, and just plain great. Percy Jackson fans will love this book. Reviewed by: Jennifer Rummel

Find out: Why Dionysus might actually be the best director Camp Half-Blood could have How to recognize a monster when you see one Why even if we aren't facing manticores and minotaurs, reading myth can still help us deal with the scary things in our own lives Plus, consult our glossary of people, places, and things from Greek myth: how Medusa got her snake hair extensions, why Chiron isn't into partying and paintball like the rest of his centaur family, and the whole story on Percy's mythical namesake.
