Von David Eddings : Demon Lord Of Karanda: (Malloreon 3) (The Malloreon (TW)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Demon Lord Of Karanda: (Malloreon 3) (The Malloreon (TW)):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Und wenn sie nicht gestorben sind Von michael515 Man wird das Gefühl nicht los, David Eddings knnte noch

jahrzehntelang weiter erzählen. Aber es schleichen sich doch zunehmend Lagen ein. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Part 8 of the whole saga Von Ein Kunde First, I strongly recommend to read these stories in the correct order. That would be The Belgariad I to V, The Mallorean I to V, Belgarath and Polgara. You don't have to read The Rivian Codex. That's some background material for the "hardcore" fan. Then I must admit, I AM a hardcore fan. I read everything Eddings publishes, most of it numerous times. Yes, it's rather light reading, but if you want deep, you should stay with Tolstoin or whatever. I like my Fantasy entertaining and with a happy ending. And if you're into fantasy, the big Eddings sagas are a must! With this volume you're right in the middle of the Mallorean. It keeps going with the usual adventure, laughter, some romance (though rather "clean") and some thrills. Of all the Eddings books, this is one of the gloomier ones concerning hard choices in hard times. Anyway, a good read as usual. 2 von 2 Kunden fanden die folgende Rezension hilfreich. Keep on keepin on... Von Ein Kunde While true, the story of the Belgariad could have been told in less than five books, I enjoyed stretching out the time with the characters. It's like family members, you don't necessarily need to be doing something all the time. Simply spending time with them is what you really enjoy. While the plot of Demon Lord of Karanda may not have been more than a sidetrack to lengthen Edding's contract to 5 books, those who enjoy the characters could have read through five more with great joy. At least there isn't just one plot within the story of Garion, just as there isn't just one plot in anyone's lives at any given time. The entire series is simply a joy to read.

Kurzbeschreibung BOOK 3 OF THE MALLOREON, the worldwide bestselling fantasy series by one of the godfathers of the tradition. Discover the epic stories that inspired generations of fantasy writers - from Raymond Feist's The Riftwar Cycle to George R. R. Martin's A Game of Thrones. Some forces cannot be fought by human means... Garion's journey becomes ever more fraught with danger. He and his company must use every skill they possess to evade capture. Any delay will be fatal for his beloved son. They have no choice but to pursue the kidnappers wherever they go even through a land reputed to be ruled by demons. A myth that turns out to be horrifically true... Werbetext The third book of the Malloreon.
