**Von Connie Suttle : Demon Revealed: High Demon, Book 2 (High Demon Series) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Demon Revealed: High Demon, Book 2 (High Demon Series) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Quite simple and quote boringVon Kindle CustomerAs a fantasy fan it is quite tricky to find new fantasy when your looking

for a new book every two weeks. The first novel turned out to be ok, so i invested in the second one. However the plot is about the main character working as an ASD Agent in disguise for the largest criminal in the dracus seed trade in the entire universe. A lot of the book is about her cooking dishes and being integrated more and more into the criminal environment by which she is frequently scared. If you are used to plots like Brandon Sanderson, Tad Williams or Robert Jordan this will be most disappointing as there are no hidden intrigues of which you only become aware over time. There is not much action in the entire book either. The only thing making this book more than one star novel is the fact that i read the whole thing instead of stopping at the middle.0 von 0 Kunden fanden die folgende Rezension hilfreich. Mit Humor und leichtem Sarcasmus geschriebenVon BirgitMit Humor und leichtem Sarcasmus geschrieben, ohne langatmig zu werden. Hin und wieder mit erstaunlichen Wendungen selbst wenn sie manchmal weit hergeholt sind. Jedem zu empfehlen, der Syfy und Mysterie mag.0 von 0 Kunden fanden die folgende Rezension hilfreich. GoodVon Kristian NeitschGood read if you like this kind of writing. I liked it very much. So full points from me. :)

Kurzbeschreibung(Reah, I know you're not happy with us right now, but we didn't order the firebombing. RAA moved without consulting us.)(And I'm supposed to believe that?)(Reah, you're being disrespectful with a superior.) I didn't answer him. If he knew how disrespectful I wanted to beI was staring at Xiri's bones, after all. I sobbed. (Reah? Reah, are you still there?)(You be respectful, Vice-Director, the next time a friend's bones lie beneath your hand.) I cut off the communication. Lendill didn't try again.The Drakus seed trade is threatening to destroy the Alliance as an old enemy reemerges. Reah is placed in the thick of that battle, with no experience and little help from her superiors. Unexpected betrayals and alliances are formed, and Reah must use every bit of her strength and wit to protect those she loves.Kurzbeschreibung(Reah, I know you're not happy with us right now, but we didn't order the firebombing.
