Von Maggie Shayne : Demon's Kiss (Wings in the Night) before purchasing it in order to gage whether or not it would be worth my time, and all praised Demon's Kiss (Wings in the Night):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Das Buch kann ich nur empfehlenVon P.I.A.Heute habe ich dieses Buch fertig gelesen und sehne mich nach einer Forstsetzung, denn viele Schicksale scheinen noch nicht vollendet und der Feind entkommt ja letztendlich.Reaper wird

von Rhiannon (kann man aus einer vorigen Geschichte kennen) beauftragt Gregor zu finden. Dieser bedroht die Vampire, die um Entdeckung frchten. Auf dem Weg zu Gregor schließen sich Raphael, so heißt der Reaper wirklich, einige Freunde und Fremde an. Schließlich verliebt er sich noch in Briar, die Gehilfin Gregors, die bis zum Ende, bis sie selbst erfahren muß, wie bei Gregor ist und wie er auch sie misshandelt, auf dessen Seite steht. Trotz ihrer Bösartigkeit hängt Raphael an Briar. Gleichzeitig entwickelt sich eine Liebesgeschichte zwischen Vixen der Vampirgestaltwandlerin und dem neuen Vampir Seth. Dann gibt es noch die Beziehung zwischen Jack dem Heiratschwindler und der kapriziösen und eigensinnigen Topaz. Beides Vampire. Trotzdem ist der Ablauf der Geschichte flüssig und spannend. Das Tempo der Geschichte ist gut und ich konnte nicht mehr aufhören zu lesen. Am Ende kommt noch heraus, dass der böse Gregor im Auftrag vom CIA handelt und beauftragt war, Reaper einzufangen. Doch Gregor hat eigene Pläne und will die Macht Raphaels indem er ihn tötet. Als Raphael in früheren Jahren bei der CIA war, wurde er so verändert, dass ein bestimmtes Codewort ihn in wilde Rage versetzt und er nicht mehr Herr seiner Handlungen ist. Es gibt aber auch ein anderes Passwort, das ihn wieder "abschaltet". Gerade als Gregor ansetzt Raphael zu töten, sagt Briar das Codewort und Gregor kommt in starke Bedrängnis. Dank der Freunde, die rechtzeitig zu Hilfe eilen, kann Raphael und seine Briar gerettet werden - allerdings - Gregor entkommt. Das schreit doch nach einer Fortsetzung... oder nicht?

Kurzbeschreibung Book 10 in Maggie Shayne's Bestselling Wings in the Night Series Caged! Vixen is unlike any other vampire. A fox shapeshifter who was turned while in human form, she's a valuable curiosity to the rogue vampires holding her captive. When she's rescued by Seth, himself only newly turned, she's grateful but uninterested in staying to help him and his friends on their mission to eradicate the rogues. All she wants is to run free, to assume her fox form and revel in her wildness. But Seth can't stop thinking about her, and despite herself, she can't stop thinking about him. Soon she finds herself allied with Seth and the others to take down Gregor, the vicious rogue leader. But with a potential traitor in their midst and Seth unaware of her animal alter-ego, the dangers facing her, body and soul, may be more than this wild child and her heart can take. Don't miss a single title in Maggie Shayne's Wings in the Night series: Twilight Phantasies Twilight Memories Twilight Illusions, with bonus novella Beyond Twilight Born in Twilight, with bonus novella Twilight Vows Twilight Hunger Embrace the Twilight, with bonus novella Run from Twilight Edge of Twilight Blue Twilight, with bonus novella Before Blue Twilight Prince of Twilight Demon's Kiss Lover's Bite Angel's Pain Bloodline, with bonus novella Vampires in Paradise Twilight Prophecy Twilight Fulfilled From Publishers Weekly The latest from bestseller Shayne (Prince of Twilight) is an interesting, inventive tale of vampires with a world that's almost too fully realized, occasionally suffering from plot overload. Before he became a vampire, Reaper worked for the CIA; now he works solo, as a hired assassin. Reaper's latest commission is the rogue vampire Gregor, who along with his followers is leaving a trail of blood-drained corpses that may, if unchecked, reveal the carefully hidden world of vampires to the blissfully unsuspecting mortal masses. Complicating Reaper's mission is Seth, a newly turned vampire he's compelled to bring along on his assignment. Unfortunately for the self-proclaimed lone wolf, that opens the door to other unwanted partners: Roxy, a Wicca healer; the vampiress Topaz; and a shape-shifter called Vixen, each of whom has her own reasons for wanting Gregor stopped. Shayne crafts a convincing world, tweaking vampire legends just enough to draw fresh blood. Though her attention to a number of subplots can frustrate, they'll also suck in an audience for the inevitable sequel. Copyright Reed Business Information, a division of Reed Elsevier Inc.
