Von Connie Suttle : Demon's Revenge: High Demon, Book 5 (High Demon Series) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Demon's Revenge: High Demon, Book 5 (High Demon Series) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Gutes BuchVon DDDiese Sequence von Connie Suttle hat mir sehr gut gefallen, obwohl am Anfang ein bisschen zehe war,

danach ist es sehr interessant, hat ein eigener Still.0 von 0 Kunden fanden die folgende Rezension hilfreich. Interesting continuation of Reah's storyVon CustomerPoor Reah. Somehow she has a talent for picking absolute duds as mates. Good-looking but no good. In this book she does thin the herd a little - thank goodness - they were getting a little hard to keep track of. If someone is just coming to the series, it is best to get all 5 High Demon books and read them through in one go. That way you won't forget the names and interrelationships. It helps if you have read Lissa's book, the Blood Destiny series, but not essential. As for this book, as usual Reah is maneuvered in helping the ASD and one of her mates with a problem. The problem is far more serious and wide spread than anyone thought. Also as usual Reah is the one making the sacrifices with little to no appreciation from her higher-up or mates. We find out at the end why some of this occurring. I'll only say that Kifrin is a bastard. I find it amusing that several of the men in this series, both Lissa's mates and Reah's are very old in terms of their calendar age but act more like spoiled teenagers. On a positive note, there is some one new there for Reah and he seems to be on her side and wants for her to fight for her rights and not let people take advantage of her so much. One thing that I do find very amusing is that the author has written some reallllly steamy pages in other books, in these 2 series there is little of this overt steaminess and more implied. For heavens sakes, the ladies do have several really hot husbands and it would be a nice contrast to all the political wrangling. I'm looking forward to see if things are really going to look up for Reah in the next book. I also hope that Lissa's storyline will continue at some point.0 von 0 Kunden fanden die folgende Rezension hilfreich. GutVon W. BenckwitzIch finde diese Serie klasse, auch wenn die Hauptfigur manchmal etwas wehleidig ist. Sie lsst alles mgliche mit sich machen, und hinterher beschwert sie sich, anstatt von vornherein nein zu sagen. Aber wie gesagt, insgesamt gefllt mir die Serie :-)

Kurzbeschreibung"I guess this isn't a good time." Lendill folded into the kitchen."Here. It has bourbon in it." I pushed my cup of tea toward him and rose from my seat to make another."Land and sky, Reah, this is strong." Lendill took a sip from my cup."Yeah. Sit down," I said. "What do you want?" "Is that any way to treat a mate you haven't seen in months?" "You only show up when you want something," I said. "So what is it?" "Bel has disappeared," Lendill swallowed more tea, grimaced and then swallowed again."Wizard Bel?" I hadn't seen Bel for years, yet I knew he still worked for the ASD."Yes. I sent him to investigate a problem on Surnath, and he vanished. We can't find him." "What kind of problem?" I asked, sitting down with my freshly poured and spiked tea. I didn't even ask Teeg if he wanted any. I was still pissed at him."A worker in an electronics factory went crazy and killed twenty of his coworkers after getting his hands on a laser pistol somehow. And then, two weeks later, a secretary at a legal firm kills six people there. The governor of the Realm on Surnath asked us to investigate. We thought it was just a copy crime. Bel was in so he volunteered. Was there for three days before he came up missing." "That's terrible," I said. "And you tried mindspeech and everything?" "Yes. No answer. Bel isn't one to fall easily into a trap. So we're all concerned." "Me, too," I nodded. I'd known Bel when I was a conscript in the Regular Alliance Army."Norian and I are willing to pay top credit if you'll work a special assignment on this." "Wizard Bel is missing, after investigating two crimes on Surnath. Reah agrees to work this special assignment for the ASD, and discovers that Bel's disappearance is linked to far deeper and much darker crimes. The criminals behind these crimes hold the survival of both Alliances in their grip and it is up to Reah to expose them before their final plans become a reality.Kurzbeschreibung"I guess this isn't a good time."
