KurzbeschreibungNo one said that life as a Greater Demon would be fair, and Keeley Thomson is feeling the pinch as someone tries very hard to kill her.Now she has to uncover even more secrets about her world and find new ways to

survive as the clock ticks down and her greatest secret is exposed to the world. Which is exactly what she needed, of course. Can America's favorite schoolgirl triumph in this new situation? Can she even survive the week? Only if Keeley can figure out some way to become a lot more than the world's newest baby Demon in time and work out who the shadowy figures behind her current problems really are. It isn't likely, but, as everyone knows, unlikely is what her kind does best.
