was a lot of twists and turns in this one and it was hard to keep up with everything that went on. In this book we see Kate's daughter getting more involved after her scrape with the demon's in the 2nd part. Also we find out a lot more about Kate's first husband Eric and his friend David. This is a great read that you can totally curl up with and enjoy any day. I am looking forward to the 4th part 'Dj Demon' which is due out next Summer. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Could be a tv show Von Michael Reiter Yes, indeed - the demon hunting soccer mom could be a tv show. Guess Julie Kenner started with a little Buffy-fanfiction. But as she is a gifted author she did not stop there but went on to create her own world with a mother of 2 who is also fighting the forces of evil. There is a little romance, sometimes a tongue in the cheek and some fighting and a few twists of logic. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr unterhaltsam Von -Kunde Sehr unterhaltsam. Das ist nicht das erste Buch der Demons-Reihe, das ich gelesen habe, und ich muss sagen, es war wieder einmal spannend und unterhaltsam. Immer wieder gern.

Kurzbeschreibung From New York Times and USA Today bestselling author Julie Kenner (aka J. Kenner) comes the third installment in the fun-tastic demon-hunting soccer mom series that began with *Carpe Demon: Adventures of a Demon-Hunting Soccer Mom*. Once again, Kate Connor has a problem. Several, actually. For one thing, her daughter has figured out that mom is a demon-hunter and wants to be just like her when she grows up. And there's that nagging suspicion that her dead husband has come back to life in the body of another man. Plus, her living husband still doesn't know her secrets. Not to mention the fact that she's acquired a mystical item that the entire demon community seems hell-bent on reclaiming. It's all in a day's work for this stay-at-home mom. But one thing is for certain: sometimes life in the suburbs really can be hell.

RAVES FOR THE DEMON-HUNTING SOCCER MOM SERIES

Carpe Demon: "I LOVED CARPE DEMON. ... It was great fun, wonderfully clever." Jayne Ann Krentz, New York Times bestselling author

"This book, as crammed with events as any suburban mom's calendar, shows you what would happen if Buffy got married and kept her past a secret. It's a hoot." Charlaine Harris, New York Times bestselling author

"I welcome the novels that decide to be utterly over-the-top and imagine paranormal and superhero lives for their chick-lit heroines. Take *Carpe Demon* ..." Detroit Free Press

"Sprightly, fast-paced . . . readers will find spunky Kate hard not to root for in spheres both domestic and demonic." Publishers Weekly

"Smart, fast-paced, unique ... a blend of sophistication and wit that has you laughing out loud." Christine Feehan, New York Times bestselling author

"Tongue-in-cheek . . . fast pacing and in-your-face action." SFReader

"Ms. Kenner has a style and delivery all her own . . . fun and innovative . . . [*Carpe Demon*] shouldn't be missed." *Fallen Angels*

"You're gonna love this book! A terrific summer read with lots of humor and crazy situations and action." Fresh Fiction

"This book was so much fun to read. I highly recommend this exceedingly entertaining read!" Midwest Book

"A+ ... I am very ready for the next installment in Kate Connor's life." The Romance Reader's Connection

"Kenner scores a direct hit with this offbeat and humorous adventure ... Car pools and holy water make an unforgettable mix." Romantic Times

California Demon: Kenner continues to put her fun, fresh twist on mommy-lit with another devilishly clever book.

Booklist Plenty of action and humor. Kenner is at her irreverent best . . . delightfully amusing. The Best of A fun paranormal adventure that definitely appeals to moms!

Scribes World More witty, funny, and poignant adventures from the marvelous Kenner.

Romantic Times *Demons Are Forever*: [A] wonderful author's fun premise, excellent characterization, intriguing stories, and snappy dialogue. Fresh Fiction Kenner's trademark cliffhanger finale promises further demonic escapades to come.

Publishers Weekly This is the third in Kenner's splendidly creative series featuring Kate, whose wickedly amusing adventures in demon hunting are a pure paranormal delight.

Booklist This chapter in Kenner's first-person, kick-butt adventures takes a darker turn, and a more serious tone, as Demon Hunter Kate Connor faces long odds and emotional turmoil. The terrific Kenner grabs you and doesn't let go!

Romantic Times *Deja Demon*: A delightfully different take on the paranormal romance theme that will leave fans thirsting for more.

Monsters and Critics *Demon Ex Machina*

Pax Demonica From Publishers Weekly The breathlessly prolific Kenner checks in with the fizzy third tale of Kate Connor (last seen in 2006's *California Demon*), wife, mom and Level Four Demon Hunter of sunny San Diablo, Calif. Stuart, her mundane husband, is father of Timmy and stepdad to Allie, Kate's daughter with slain demon hunter Eric Crowe. Recently returned to her job hunting demons for the Vatican's Forza Scura and recovering from rescuing Allie from demonic kidnappers, Kate must now contend with demons who want to liberate their leader, An-dramelech, from within the Stone of Solomon. With the help of David Long, a hunky middle-school teacher who just might house Eric's soul, Kate has to find the demon-luring Stone and do some major damage control. Also on tap is 14-year-old Allie's intro into demon-hunting and a day of reckoning for Kate's family. Kenner's trademark cliffhanger finale promises further demonic escapades to come.

From Booklist Finding the right balance between a career and a family is never easy, but throw in a few demons and things can really get tricky. At least that's what Kate Connor discovers when she comes out of retirement to battle the forces of darkness in San Diablo. And if finding time to take care of her family and deal with An-dramelech (the latest demon determined to take over the world) isn't enough, Kate's teenage daughter Allie has just

discovered her mom's secret "job" and now wants to follow the same career path. And then there is rogue demon hunter David Long, who just might be Kate's first, and supposedly deceased, husband, Eric, in demon disguise. No wonder Kate never has time to keep up with her housework! This is the third in Kenner's splendidly creative series featuring Kate, whose wickedly amusing adventures in demon hunting are a pure paranormal delight. Charles, John
