Von Lisa Renee Jones : Denial: Inside Out (Careless Whispers Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Denial: Inside Out (Careless Whispers Book 1) (English Edition):

Kurzbeschreibung From New York Times bestselling author Lisa Renee Jones, the first book in the CARELESS WHISPERS series. This is a spin-off of the wildly popular INSIDE OUT series that follows Ella Ferguson, Sara McMillan's best friend. You do not have to read Inside Out to read Careless Whispers!
