Von Faith Bleasdale : Deranged Marriage (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Deranged Marriage (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Great StoryVon Lesley DaniellIt was a wonderful read, great choice of words and not a bit boring. A Story about friendship,

feelings, mistakes. between best friends, lovers and madness in a friendship. When best friends start stalking you and turn your life into a nightmare and when people who love you make wrong choices and when you find out who are your real friends and how far your family and friends will go to support you and your choices. A very capturing and good written story.0 von 0 Kunden fanden die folgende Rezension hilfreich. Weird storyVon SchnaufiaSorry but I didn't make it past page 20. I was just stiff bored and hated the heroine and got the impression she was just bubbling away with nonsense.

KurzbeschreibungWould you ever consider a marriage pact?Holly Miller did. In a heartbroken and drunken haze, it had all seemed to make perfect sense. George was her best friend would always be her best friend and if they both found themselves single at the age of thirty, well, why not?But when, a decade later, a man Holly hasn't seen for years claims shes signed a contract and she has to marry him, Holly realises exactly why it was not such a good idea. Forget the fact that her career is going places, forget that she's head-over-heels in love with her gorgeous boyfriend, George wants the pact fulfilled and will stop at nothing to get his way.At twenty-nine Hollys life had been falling neatly into place but the dramatic reappearance of her oldest friend is about to turn her whole world upside down, in ways she could not even imagineCan I do become I dont?Or will it all end horribly ever after?
