Von Elizabeth Lowell : Desert Rain (Avon Romance) before purchasing it in order to gage whether or not it would be worth my time, and all praised Desert Rain (Avon Romance):

did. The split personality routine that Linc pulled left much to be desired. I can see how being hurt by a beautiful woman would sour him but the way he took his problems out on Holly didn't hit me the right way. I mean one minute he was being mister wonderful and the perfect mate then the next he was the coldhearted jerk that almost raped the woman he claimed to love. I would have seriously hated this book if weren't for the end. The way the author had him beg, not enough but beg none the less, to be allowed back into Holly's life almost made up for the way he treated her. Standoff Von Ein Kunde Holly Shannon North grew up in California, but when her parents died when she was sixteen, she was taken to New York by her aunt, leaving her one and only love behind: Lincoln McKenzie. When she comes back, she's in her twenties and a world famous model. She comes back to the land and the man she loves, but he has some old scars that had never healed. They were all caused by a beautiful woman, so he has some natural prejudices. Holly then decides to hide the fact that she's a model. When Linc sees her again, he sees her as his sweet Holly, not as the internationally famous model Shannon. Desert Rain is an account of how Holly tries to curb his prejudices, and heal his wounds. Once again, Elizabeth Lowell has created a masterpiece. Well done! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Don't Waste Your Time Von Ein Kunde One of the worst books I've ever read. The hero is a bigoted jerk who has formed a stupid prejudice on the basis of superficial observations. So he changes one such stupid opinion. He probably has hundreds of others. I couldn't respect or admire him, or her for falling for him. Add to her lack of character the way she handled the cattiness of his girlfriend.... by becoming even cattier. I'd never read a book by this author before, and I never will again.

Kurzbeschreibung She is a contradiction, one woman with two lives. She is Shannon, one of the worlds great beauties, her face and figure gracing the fashion pages of the worlds most elegant magazines. She is also Holly, a fragile innocent, haunted by painful memories of her past and by dreams of the man who once shared her secrets. She is assured yet vulnerable, irresistible yet untouched. Destiny has brought Holly Shannon North back to Hidden Springs, where she can be one person, where romance once touched her tender young heart. Here Lincoln McKenzie waits the proud California rancher, long since hardened by his lifes tragedies. Now, in the icy chill of a desert storm, together they must somehow find the way back to love . . . and rekindle a fire whose healing warmth will truly draw them home. A classic story of love and redemption from the incomparable New York Times and USA Today bestselling author Elizabeth Lowell From Publishers Weekly By revising and padding her first contemporary romance, Lowell (Autumn Lover) has created a new full-length novel. Holly Shannon North is a tomboy turned fashion model who meets up with former flame, Linc McKenzie, during a photo shoot near Palm Springs. She realizes that Linc loves "Holly," the girl she was at 16, but has no interest in "Shannon," the sophisticated cover girl she has become. Holly tries to convince Linc, who seems to believe otherwise, that beauty does not equal evil. The love scenes are trademark Lowell: dynamic, sensual and thoroughly satisfying, but the book's premise is so weak and the characters so flat they can't sustain the added (in fact, doubled) verbiage.
