#WildBoarShifter My Score: 100 Stars for the Series x10 50 Stars for the Book x10 I'm sad I think I'm crushed it's just hard to believe its over but it was phenomenal, I loved the ending, everybody was in it the whole pack family. It shows how families celebrate together, but when one fights they all fight. Axel Waldermanns is a Javelina Shifter which is a wild boar. He was Twin Moon Ranch Hero he was seriously hurt when he fought the hellhound who attacked Rick and Tina which would have killed them. Since javelina's heal very slowly so Axel is at Twin Moon for a long time. It was so nice being there for him even if he was an outsider everyone treated him very nice. That is something he didn't have with his clan, where they were dirty and fight all the time, he didn't know any different and then he was at Twin Moon and he sees the difference and would love to stay but he knows his father's going to come and get him, he's worried about that cuz he doesn't want to go. Even Tina brings him some lunch everyday yeah everybody is just really great to him Beth Carter just came back from her educational course training. Now she can help at the school as a literacy aide plus she was part-time librarian too. Everything was looking good for her now all she needed was for someone to realize she was alive. I was gifted this ARC for an honest and truthful review. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Now that he is on his way to completely healing he finds solace at the ranch, wants to make it his home, and also finds himself quite taken with Beth. Beth finds herself falling for Axel, but feels the handsome shifter would be more satisfied in someone else's arms. WOW-SPECTACULAR- fast paced well written creative read by a truly gifted author. I relished this story, a most exhilarating read from start to finish. The characters are believable and spring to life with the fantastic story-line, suspense, and tender moments. Just wow Von Birgit Wahll I love the 'The Wolves of Twin Moon Ranch' and after reading Tina and Rick's story I wanted to read more about the wounded javelina shifter. Yeah I got my wish granted and I enjoyed Axel's and Beth's story very much. The beginning was slower than in the other Twin Moon Ranch books but that was so good for the story, it built up until the dramatic part and slowed down until the last few pages and ends in a 'Hero Welcome Home'.

Kurzbeschreibung An expected hero comes home. Axel Waldermanns days in paradise are numbered, and he knows it. The last thing this reluctant hero needs is temptation in the form of a curvy she-wolf. So what chance does an unassuming girl like Beth Carter have? When a deadly enemy lures Axel into the fight of his life, Beth will have to test her limits and believe not just in love, but in herself.
