What you'll find in the story; a cast of remarkably impressive and engaging characters, spectacular story-line, picturesque and powerful scene descriptions, phenomenal banter, holiday magic, skyrocketing heart-pounding sensual romance, and a melt your heart holiday conclusion leaving you wanting more. It's holiday time at the Twin Moon Ranch. All the mated pairs, grand-kids, Carly, Grandpa Tyrone, and friends are at the ranch to enjoy delicious food, holiday spirit, romance, and gifts. Carly sees a different side of her father as he shows affection to his grand-kids, and there is a surprise in the future for one of the mated couples. SPECTACULAR fast paced fabulous read by a truly gifted author. I loved this story; perfect for holidays. The characters spring to life with the plot and vivid scene descriptions. The holiday spirit shines like a desert star and the excitement of the children warms the heart. If you treasure holiday stories with a shifter twist this is an excellent choice for your library. {I was given a copy of this book for a completely honest review}. In the world of shifter romance the possibilities are endless and always fascinating. Without reservations I recommend this book and the Twin Moon Ranch series. Von Ingrid Stephanie Jordan Title: Desert Yule Series: The Wolves of Twin Moon Ranch Destination: Short Story Author: Anna Lowe Reviewer: Ingrid Stephanie Jordan Genre: #Paranormal. #WolfShifters My Score: 5 Stars Christmas time is my favorite part of the year, with family get together, all the food that you can eat, goodies, cookies, candy and then we've have a Christmas Tree packed with thousands of little packages under it. The best part of the whole family get together is the kids, grandchildren always makes for a beautiful beautiful day. This book is exactly what Ms. Lowe is pointing out. Twin Moon Ranch show individually each Mated Couple's love, joy of happiness together with what life has to offer them with their babies at Christmas time. Getting together under one roof all the glorious family even the rough old Alpha has something to be happy for he is a grandpa, that in itself is the most joyous of all. I was gifted this ARC for an honest and truthful review.
