**Von Nicole Jordan : Desire (Notorious)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Desire (Notorious):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. another just miss from Jordan, but still super readVon Deborah MacgillivrayI have been reading Jordan's books for over a decade, and I keep coming back despite troubling problems with each book. WHY? Because she creates such strong, intriguing characters. Often, they are infuriating, but I figure she is pushing the right buttons in me to provoke such a

response. Even when they are infuriating, I long remember them after I put them down. This book - the third installment in Jordan's Regency era Notorious series - has another of the arrogant alpha males, Lucian Tremayne, Earl of Wycliff. He is a spy for the English government. He comes upon Brynn Caldwell as she gets out of the water after swimming. He immediately proposes (o-kay) but Brynn says no, that she - and all the women of her family are cursed. The curse is that they lure men to love them to their death - sort of like the Leannan Si of Ireland. Well, a wee curse is nothing to a master spy, so Lucian does not let this stop his pursuit. He finally convinces Brynn to marry him. This creates troubles as Brynn and her family have been smuggling to make ends meet, and Lucian has been sent there to stop the flow of gold going to France. Despite a rocky start to their marriage bed, Lucian and Brynn share desire, though both keep their emotions locked away. Where I got a wee ticked was his wanting the child and she saying she would give him a son for her freedom. Women just don't carry a child for 9 months and then turn their back, and this is a little trite to boot. Then he says if she wants a child she will have to pursue the conception? Shakes head? I felt like Jordan changed characters on me. She is a strong writer that keeps me coming back time and again. Just one of these days she is going to get it perfect and WOW! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Highly recommended!! Von Ein Kunde Very handsome rake and spymaster Lucian, Earl of Wycliff meets the beautiful Brynn Caldwell on a Cornish beach and is utterly besotted. But Brynn thinks she is cursed and believes she must protect Lucian who is highly attracted to her. Lucian on the other hand is determined to marry Brynn because on the one hand he wants a baby and on the other hand he wants to protect Brynn because her brother is involved in treason and with a smugglers gang. Although I thought Lucian in the beginning an very arrogant and selfish character, he changes in the end to an understanding an loving husband. On the other side I found Brynn sometimes a bit overly concerned about the curse but that shouldn't deter from the more enjoyable parts of the book. The Love scenes are tastefully written and very sensual. I'm impatiently looking forward "Ecstasy" the next book by Nicole Jordan which hopefully continues the storyline and reveals the secret of "Who is Caliban?". Great book, more please!!

Kurzbeschreibung Seducing readers with her scorching sensuality and searing romance, bestselling author Nicole Jordan weaves her most tantalizing love story yet. . . . DESIREA legendary lover and spymaster, the darkly sensual Earl of Wycliff eludes matrimony until a brush with death makes him yearn for a son to carry on his name. The moment Lucian spies the alluring Brynn Caldwell on a Cornish beach, he knows he has found the woman he wants for his bride. Brynn believes the notorious rakes fascination with her is driven by a centuries-old curse that dooms the women of her family to tempt men only to lead those they love to their death. Compelled by dire circumstances to marry Lucian, Brynn surrenders her body to his caresses but dares not give him her heart. Locked in a battle of wills with his bewitching wife, Lucian begins to suspect that Brynn is a traitor. Before long he finds himself lured into a web of danger and betrayal, where the price of winning his brides elusive heart may be his own life. From Booklist While searching for a traitor in Cornwall, Lucian Tremayne, Earl of Wycliff and a spy for the English government, is bewitched by the sight of Brynn Caldwell rising out of the ocean like some foam-bedecked goddess. Vowing to take Brynn as his bride, Lucian is at first thwarted by the beautiful siren, who fears a family curse that dooms any man who falls in love with a Caldwell woman. Family debts eventually force Brynn to wed Lucian, but once Lucian suspects that Brynn may be involved in the scheme to smuggle English gold to the French that he's investigating, he's torn between his duty to his country and his desire for his reluctant new wife. Jordan creates a seething sexual tension between Brynn and Lucian that builds into exquisitely sensual, intimately detailed love scenes, which become an integral part of the plot. Readers who enjoy other sensual historical romance writers like Stephanie Laurens or Robin Schone will find this to be an equally seductive indulgence. John Charles Copyright American Library Association. All rights reserved Pressestimmen "Jordan writes highly charged erotic historical romances."-- Publishers Weekly "A vibrantly sensual novel. A journey of awakening... intensely robust and romantic."-- The Romance Journal "A seductive tale with all the fire and conflict expected from this talented author."-- BookBrowser "An emotional storm."-- Rendezvous
