stars Von The Wizard of Oz A highly charged vampire novel full of romance and seduction. Yeah, yeah, yeah, they all are, I hear you say. But the rest of them are hackneyed and cliched. This one is not. 5 stars. 0 von 0 Kunden fanden die folgende Rezension hilfreich. He reminds me of Christian Grey from 50 Shades Von Al-Khemet Book Club Desiring Death is one slick, entertaining novel with some serious twisted web of intrigue and excitement with a dark, erotic undertone. I admire the work of C. P. Mandara after reading her internet phenomenon novel "The Riding School." She writes similar to E. L. James, able to twist and turn your insides deliciously and a little like Stephenie Meyer, with that softer, warmer touch of mystery and romance. "Desiring Death" joins the ranks of great novels written by this exciting indie author who never fails to deliver. Violetta and Monsieur Martinet's story is one for the history books. A tale so compelling, well written and powerful it will simply blow you away. Violetta is no average huntress, she is top-notch vampire slayer with an impeccable track record and an uncanny accuracy when she goes on the hunt. She is skilled, beautiful and a temptress, while Monsieur Martinet is the handsome supernatural being destined to have your knees weak and when Violetta kills his entire family he broils with an insatiable lust for vengeance and well... umm... something else!!! These two were fated to meet in a legendary showdown and only one should remain standing but our vampie boy has other plans, while read I wondered if he was related to Christian Grey from 50 Shades, because these two men are very similar in their scorching, erotic desires (no spoilers!). Read for yourself, this electrifying book is worth it. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A gripping tale, sensually written. Von Uvi Poznansky In the second book in the Evading Death series, the author, C.P. Mandara seduces you into a world of high drama, where vengeance and passion work their magic on the characters, pulling them in opposite directions and bringing them together in ways that are more powerful than they themselves imagined. The enmity between Violetta and Monsieur Martinet is a bitter one, yet both vampires find themselves in the inescapable grip of desire. A gripping tale, sensually written. You will find yourself engaged immediately from the start: Her lungs were burning. There was a tight knot in her chest that threatened to explode She had been given a chance to run and she intended to make full use of it. He would pursue her, of that she had no doubt. Five stars.

Kurzbeschreibung Imagine a famed vampire huntress with a taste for death, so successful not a single vampire has ever managed to escape her wooden stakes or evade her silver knives. Her name is Violetta, and all that is about to change. Monsieur Martinet, vampire extraordinaire, is a master of his kind and can exert the kind of control over humans that Violetta has never seen before. He is a powerful force. He may well be unstoppable. And that's going to be a problem, because Violetta has killed every single one of Martinet's monstrous family - and he has a score to settle. He's going to abduct her, imprison her, and then tie her down until she begs for mercy. And that's only the beginning...
