Von Bealevon Nolan : Determined (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Determined (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. FunVon DelaneyThis book was given to me for free in exchange for an honest review.Liam, the prince of Broskoe, is on the run from his mother the Queen, who has suggested a very screwed up proposition. His mother believes Liam is a simpleton because of a speach impediment from a childhood illness. She treats him like a child and with disgust, and therefore so do many others. When he comes of age to train as a warrior he is forbidden, but some believe in him and he is secretly trained as a spy. While on the run he ends up disguising himself as a mute servant female at Finley, the Duke of Doros home. Finley has problems of his own keeping his people from starvation due to an alliance with a traitorous king. Liam has his sights on Finley from the start and comes up with an unconventional way of getting his attention. Due to certain circumstances situations change and difficulties are overcome.Both characters are well written. And the secondary characters are fantastic. The only problem I had was that I thought to myself (several

times) that both Liam and Finley had their minds on sex when they should have been on taking care of business. Some things in the story (like a Duke traveling without his own guard and leaving someone he doesn't know in charge of his home and people) were unbelievable. That being said I did have a good time reading this. The premise of the story was new and had some interesting twist. It also had a lot going on and moved along at a nice pace. I'll definitely give this author another look.

Von Lisa Kaufmann
This was such a wonderful read! I enjoyed Liam and Finley's journey to love and happiness. The author gifts us with detailed world-building and wonderful descriptions that make the story vivid. I also loved the modern spin on a medieval society that accepts gay relationships. Liam was a surprising character in the way he dealt with his disability and the resulting discrimination, and I thought him a strong and well-determined personality. Although there were times I found it hard to connect with him and his actions, I grew to like him as the story developed. Finley, on the other hand, is one of those men you just want by your side. I adored him for his determination to keep his people safe. He's a wonderful leader who deserves a loving partner by his side. The writing was good with only some minor errors. I liked the pacing of the story and don't agree with some of the comments that say it was too long. But maybe that's just me because I always want more ;-)
If you like a historical romance with some twists and surprises thrown in, and two strong male characters, you should give *Determined* a shot. I received a copy of this ebook from the author in exchange for an honest review.

Von Bea Weltenbummlerin, mit gleich zwei Helden, deren Entwicklung und Liebesgeschichte ich gut folgen konnte. Liam, der sprachbehinderte schwule Prinz, dem keiner etwas zutraut, und Finley, der zu jung schon die Regierung des Herzogtums übernehmen musste. Beide sind einsam. Es hat Spaß gemacht zu lesen, wie die Beiden zusammen kommen - trotz Verrat und Kämpfe. Die Anlehnung an das ursprüngliche Märchen ist nur in Bruchstücken vorhanden. Ein gutes Buch, um sich mit einer Tasse Tee aufs Sofa in die Fantasiewelt inkl. Liebesszenen einzutauchen. Vielen Dank!

Kurzbeschreibung Prince Liam of Broskoe will no longer bow to his mother's outrageous orders. Because of his speech impairment, the result of a childhood illness, most people including the queen believe him to be a half-wit. Neglected in his upbringing, Liam has learned to take what he wants, by whatever means necessary, be it a lover, an education, or secret training as a spy. Forced into hiding, he flees to neighboring Doros and gets work in the kitchen of the castle keep. Finley, Duke of Doros, finds himself between a rock and a hard place. The King of Carsson has once again demanded an increase to the annual levy, and Doros's resources are dwindling due to a poor harvest, worsened by early snows. Not even he, the mightiest of warriors, can stop winter from coming early, but he will not stand by and watch his people starve. Two men, two lonely hearts meet under the strangest of circumstances. Each learns to grapple with formidable enemies: not only the forces of Mother Nature, but the darker aspects of human nature. They must overcome greed, lust, loneliness, and betrayal, as well as their own insecurities, if they are to find that one thing that makes life worth all the trouble.

DETERMINED is a romance inspired by the nineteenth-century German tale *Allerleirauh*, written by the brothers Grimm. The most common English translation for this title is *All-Kinds-of-Fur*. **WARNING:** In addition to depictions of violent combat and death, which some readers may find objectionable, this book contains graphic sex scenes and is unsuitable for underage readers.
