Von Callie Hart : Deviant (Blood Roses series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Deviant (Blood Roses series Book 1) (English Edition):

Well, I don't think so. It rather felt like a very long blurb of one book.It was confusing the hell out of me. The characters acted and reacted weird in my opinion. The story was hinting on things, only hinting. Nothing was explained. Absolutely nothing. Not one string of the story got completed. There was no character development. The editing was not the best.Okay, it had its moments: The first chapter was good. I was expecting something after that. Later on, the next sex scene between Sloane and Zeth was

strange and dark but really hot. And the ending? I'm not even talking about a cliffhanger here. Ending a book in the middle of a scene (and also a good one) looks like the author just wanted to lure readers into buying the next one. Right now, I'm not sure, if I really want to take that bait. Well, at least this one is free on ; maybe you will give it a try and like it more than me. By the way, some people might think this is an MC novel, but it's not. No bikes, no club, no cuts. It's a mobster story, at least I think it is, because it was hinting on Mafia. 1 von 1 Kunden fanden die folgende Rezension hilfreich. berraschend gut... Von Wuukie Das Buch ist absolut empfehlenswert, spannend aufgebaut, und sexy . Noch ist nicht klar welche dunkle Vergangenheit Zeth und auch Lace haben. Der zweite Teil kommt Anfang April. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great start to one of the best series ever Von M.J. I'm so glad I bought this ebook and met ZMF and Sloane and Callie Hart. This book is an awesome start to an incredible series which gets better with every book Callie publishes! Sloane is a wonderful character and Zeth... well, Zeth is Zeth. Read the book and you'll understand;) I highly recommend Deviant and all the other books of the Blood and Roses series!
