THE BOOK! Von Bianca @BJsBBTyler is a 29-year-old Journalist living in London. She hasn't had a boyfriend in ages....but what she has....is a Stalker. Kind of. She notices things being replaced in her apartment when she comes home at night...She doesn't know why exactly, but she's not worried - rather excited by this whole 'game'. She just hopes that Her Stalker won't end up axe-murdering her. We also go back in time to when Tyler was a little girl. How she was best friends with Ian and Dean...and how she's been in love with Dean since she was six years old. But then, when she was sixteen he just left - he told her that he would be back and that she should wait for him...but she never heard from him again. But we hear about Dean's story. Dean is back, but Dean is not really Dean at all - at least not to Tyler. She doesn't recognise him. Dean.... the poor guy thinks he has been brutally betrayed 13 years ago, and now he's back to get his sweet Revenge by destroying the one woman who he thought would be his future. WILL HAPPEN TO TYLER DEAN?? WHAT'S WITH THIS MYSTERIOUS MANSION AND ITS EVEN MORE MYSTERIOUS OWNER?? WILL ANYONE GET A HEA?? WILL THERE BE A CLIFFHANGER o.O OR WILL EVERYBODY DIE AT THE END? NOPE - I'm not telling you . . . _____ I REALLY LOVED THE BOOK!!! This was such a gripping story!!! First you might think: how can she let this guy do this to her for such a long time? But we really want him to do it to her and we want them to get their Happy Ever After. But with all those problems between them - the lies and betrayals or non-betrayals - this very long time since they saw each other years ago, and everything that happened in their lives in those 13 years.... is there really hope for a HEA?? The reader sure hopes it all through the book. I'm not telling you how it ends of course. This book had everything I need in my Stalker-Romances EXTREMELY EROTIC SCENES SUSPENSIVE SCENES FRUSTRATING SCENES VERY SAD MOVING SCENES CUTE FUNNY SCENES. Were there a few things I didn't like? Hm - not really - maybe only that it reminded me of Bella Aurora's Raw with the Stalking and Dean's business et cetera BUT - I REALLLY ENJOYED READING DEVIANT.... I couldn't put it down - you just have to know how it ends!!! If you like really really hot Romances with a #SexyStalkerGuy - GO AND BUY THE BOOK!!!

Kurzbeschreibung***Warning: Contains strong language, violence and scenes of an explicit nature***Most fairy tales end with a happily ever after. This is not a fairy tale. He is not her Prince Charming about to whisk her away into the sunset. This is a story about betrayal, lust, desire and, ultimately, revenge...And revenge can only lead to one thing. TylerHe was my stranger, my visitor, my shadow in the corner of my room. He stalked me, watched me, knew everything about me. But all I could do was sit and wait. I waited for him to visit me night after night. He was becoming my addiction, my craving, my obsession. He knew every inch of me, but I knew nothing about him. His calls himself Lotus and, as crazy as it sounds, I think I'm falling in love. DeanI wanted to take her, possess her, dominate her, and ruin her. I wanted to ravish her, please her, and consume her until I couldn't take much more of her. She will want me to kiss her. She will want me to hold her all night so that she feels a connection with me. I would make it so that she would seek me out in the dark. The one that satisfies her ultimate fantasy. A stranger who sneaks into her room. Someone who gives her the ultimate pleasure, but also seeks to give her ultimate pain. Pain she has never had to endure. Pain that will eat away at her until there is nothing left. She was my nemesis, I was her lotus. And payback was a bitch.
