TeilVon LauraDer erste Teil war schon richtig gut und der 2. steht dem in keinem Fall nach. Auch dieser Devlin-Teil ist witzig, kreativ und macht einfach gute Laune.Sehr zu empfehlen! So wie überhaupt alle Diana Duncan Bcher

KurzbeschreibungFree-wheeling rogue Flynn Devlin roars into Marisa Matheson's well-ordered life on a Harley, with a devil-may-care attitude, a body made for sin, and an Irish lilt that could charm the panties off a nun.Exactly the kind of bad boy she doesn't need.Except Flynn also possesses magic talent with a camerasmething she desperately needs to keep her wedding planning business from tanking after her regular photographer is injured.Flynn Devlin is the only thing standing between Marisa and complete financial ruin.He's also hiding a damning secret from her. All in the name of love, but still...Flynn knows that when the lass who's capturing his heart as easily as he captures images finds out he's not quite what he claims to be, all hell will break loose. And his devil-may-care attitude doesn't include his heart.Because this devil doesnt want just a one-night fling with his stubbornly independent lasshe wants forever.
