.....DISGUSTING AND A WASTE OF MONEYVon Kindle CustomerWell, I wish I had read some of the reviews here before I wasted my money. The hero is a dispassionate old lecher who decided to prove to an 18-year-old girl that he loved her by raping her. I didn't even make it to the gang rape or the adultery. Don't I feel like a silly goose. Who ever told Ms. Coulter that rape was the "perfect" tool of courtship should be, well, something! I mean really, if rape is your thing, who am I to quibble but they should really give a hint on the jacket or something, you know, a word to the wise, a wink and nod and I would just walk on by for pity's sake. I don't need this sort of filth ruining a romantic mood.2 von 2 Kunden fanden die folgende Rezension hilfreich. Disgusting and VileVon Ein KundeThis book was an absolute disappointment. I normally like Catherine Coulter's books but this one turned my stomach. How can anyone like this book when the "hero" is nothing but a rapist. Just because the "heroine" was stupid enough to fall for her rapist does not excuse his behavior. The "hero" goes on through the book thinking his actions were justifiable because he loved the girl, which I find totally reprehensible. I shudder at the possibility that a man might read this vile story and actually believe that rape is o.k. if you think you love the girl. If I could have given this book zero stars I would have.2 von 2 Kunden fanden die folgende Rezension hilfreich. 0 starsVon Ein KundeI wish I had read the review from Lansing Michigan before I started to read this book. Because, just like that reader, I was appalled by her rape by four men. I read romance to escape, not be horribly reminded of the world; especially in such a graphic way. Needless to say, I put the book down as soon as I read that part. This was the first book I had read by Coulter, and it will be my last. For really good reading, I'm going to stick to Judith McNaught, Julie Garwood, Hannah Howell and Johanna Lindsey.

KurzbeschreibungThe #1 New York Times bestselling author's first historical romance.Kidnapped and taken to the beautiful city of Genoa, Cassie Brougham finds love in the arms of her captor, while she is betrothed to another man.PressestimmenA good storytellerCoulter always keeps the pace brisk.Fort Worth Star-TelegramMs. Coulter is a one-of-a-kind author who knows how to hook her readers and keep them coming back for more.The Best sCoulter is excellent at portraying the romantic tension between her heroes and heroines, and she manages to write explicitly but beautifully about sex as well as love.Milwaukee JournalCoulter instinctively feeds our desire to believe in knights in shining armor and everlasting lovehistorical romance at its finest.BookReporter.comOne of the genres great storytellers.Kansas City StarOne of the masters of the genre.The Newark Star-LedgerCatherine Coulter is one of the best authors of exciting thrillers writing today.Midwest Book KurzbeschreibungThe #1 New York Times bestselling author's first historical romance.Kidnapped and taken to the beautiful city of Genoa, Cassie Brougham finds love in the arms of her captor, while she is betrothed to another man.
