Von Clive Cussler : Devil's Gate: NUMA Files #9 (The NUMA Files) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Devil's Gate: NUMA Files #9 (The NUMA Files) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. A Solid Adventure Story after a Somewhat Scattered BeginningVon Donald Mitchell"No weapon formed against you shall prosper," -- Isaiah 54:17 (NKJV)I'm somewhat skeptical of the Cussler books written with coauthors. They vary in

quality. I didn't know what to expect with Graham Brown, and the book's beginning seemed less interesting than a typical Cussler opening. From there, a lot of scenes were long, convoluted, and more than a little hard to follow. But after about 110 pages, the book picked up its stride, became more surefooted, and started to entertain in a fashion somewhat reminiscent of the early Dirk Pitt books. I found myself having fun, and by the end I was glad I had read the book. Give it a chance. I think you'll be glad you did. It's a quick read. If you aren't happy by page 225, stop. To me, the best part of the book came in the many scenes containing tongue-in-cheek humor of the sort that always made the Ian Fleming James Bond books fun to read. I also liked the wide variety of far-fetched technology inserted into the story. Naturally, the character development wasn't very significant. But it is an adventure story . . . so that's not a fatal flaw. The plot was well designed to keep the story moving pretty fast after the relatively slow beginning, and nicely picked up pace in the last 150 pages or so to reach a tempo I liked. I won't go into what the story is about. Half the fun of this book is finding out what Clive Cussler dreamed up. I'll definitely read the next Kurt Austin book if Graham Brown is the coauthor.

Die Geschichte fngt whrend dem kalten Krieg mit einem mysterisen Flugzeugabsturz an. Danach geht es rasant weiter mit einem eigenartigen Schiffsunglck und natrlich sind Austin und Zavela zur richtigen Zeit am richtigen Ort und knnen wenigstens noch die Frau des Kapitns retten. Neugierig wie immer wollen sie die Ursache des Unglcks herausfinden, was unsere Bsewichte herausfordert. Es gibt einige zustzliche Hinweise und Rckblicke auf die frhere Arbeit von Austin, da im Solde des Bsewichtes ein alter Bekannter von ihm eine Rolle spielt. Alte Bekannte wie die Trouts spielen ebenfalls mit. Wer fantastische Abenteuer liebt, dem sei das Buch wrmstens empfohlen

Kurzbeschreibung Clive Cussler's astounding Devil's Gate sees the return of Kurt Austin and the NUMA team. Deep beneath the Eastern Atlantic Ocean lies an extraordinary underwater burial ground of ships and planes . . . Nearby, a Japanese cargo ship blows up without warning. Racing to help, Kurt Austin and the NUMA team are beaten to the scene by heavily armed pirates. But when the ruthless gang's own boat explodes as they're making their escape, the men from NUMA are suddenly plunged from a disaster into a mystery. Soon they uncover a scheme involving the deadly ambitions of an African dictator, the creation of a weapon of terrible power, a kidnapped CERN scientist and a deep-water graveyard holding a lost aircraft and its precious cargo. As a terrifying and audacious plan to bring the world's major nations to their knees is set in motion, only Kurt Austin - the right man, in the right place, at the right time - can stop it . . . With Devil's Gate, UK number one bestseller Clive Cussler shows us once more why he is the grand master of adventure fiction. The ninth book in Clive Cussler's bestselling NUMA Files series, Devil's Gate is a novel that will have readers gripped right to the last page. Kurt Austin, hero of previous titles Medusa and The Navigator, must avert a disaster of global proportions. Praise for Clive Cussler: 'Clive Cussler is the guy I read' Tom Clancy 'The Adventure King' Sunday Express

Pressestimmen Cussler's latest is the most breathtakingly suspenseful, wildly inventive, enjoyable thriller in the NUMA Files series to date! Library Journal
