Von Leslie Wolfe : Devil's Move: A Thriller (Political Terrorism Technothriller) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Devil's Move: A Thriller (Political Terrorism Technothriller) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Espionage, political games and complex conspiracies Von Helpful Advice Devil's Move by Leslie Wolfe is political

thriller full of suspense written in nice style that brings the story of global conspiracy during the time of US presidential election. Therefore all those who seek novels full of espionage, political games and complex conspiracies combined with many thrilling events will find Wolfe's novel an engaging and exciting read. A nice decision from the author was introducing a leading female character named Alex Hoffman which made this novel different from almost all the similar ones on the market that have male characters as main heroes. Devil's Move is a first novel I read from the author and, though there can be found some classic self-published characteristics throughout the novel, I can say that I'm pleasantly surprised with the level of quality she provided from the beginning to the last page. Her novel manages to keep readers' attention, delivering intrigue, thrill and suspense that will satisfy genre lovers. Probably the biggest strength of the novel is the skillful way in which she manages to mix different motives which in the end resulted in work sufficiently authentic while still delivering enough fiction to be an interesting page-turner. Therefore if you consider yourself a fan of thrilling espionage novels, love reading about world conspiracies and political intrigues Devil's Move should be a title worth your consideration. I was given a copy of this book by the author for the purpose of unbiased review, while all the presented information is based on my impressions.

Kurzbeschreibung POLITICAL TERRORISM TECHNO THRILLER It is a presidential election year and things are changing. America is overhauling its voting system, making room for modern processes and innovative technologies, but also for conspiracies and murder. The US presidential election system overhaul comes under fire. A heart transplant is denied. An accident claims the life of a consulting executive. Here, at home, terrorism has a new target. We know the day of the attack, Election Day. We know very little else. An unsettling page-turner, Devil's Move dives into an intricate world of economic and political influences, and global conspiracies. Battling shadows in a game against covert players, Alex Hoffmann returns as the heroine of Devil's Move. She embarks on a captivating adventure, riddled with danger and spiced with technology and science, in a breathtaking, exquisite political terrorism technothriller. Fans of Jack Ryan, Jason Bourne, James Bond, and Jack Reacher will love Alex Hoffmann. Acclaim for Leslie Wolfe -- Leslie Wolfe weaves a wonderful story of espionage, current technology, warfare. - Lucas McWilliams -- Leslie Wolfe is proving that indeed women can equal if not surpass the established norm of espionage techno-thrillers. - Grady Harp -- Wolfe keeps readers turning the pages... - Kirkus -- Leslie Wolfe has the talent that is comparable to the likes of a Tom Clancy or a Michael Crichton, or even James Patterson. - Dennis Waller What Readers Say About Alex Hoffman Series Book Two, Devil's Move -- Exciting, Devil's Move is a Hell bent ride that keeps the reader engaged, and guessing the final outcome, much like a tight and unpredictable race to the White House. -- This story has one of the best plots I've read in a long time. -- From the beginning to the last page her novel manages to keep readers' attention, delivering intrigue, thrill and suspense. -- A thriller with a political agenda that conceals powerful influence, the perfect play for global conspiracy. -- An impressive amount of suspense throughout. -- This is a fantastically taut, well-paced thriller that grabs you from the first pages and doesn't let up. International intrigue. Paranoid conspiracy plots. High-tech warfare. It has it all. -- Strong connection to current events, voting rights. Dangerous economic and political influence. Under what kind of umbrella money raised to influence our vote? Will be thinking about this story for a long time. Thank you Leslie Wolfe. -- Leslie Wolfe's Devil's Move is a political thriller that kicks off with a bang and doesn't slow down until the very end. -- This is a gripping tale, and kept me guessing till the end. It's a thumbs up from me! -- Must read for anyone interested in today's current events.
