**Von Debra Dunbar : Devil's Paw (Imp Series Book 4) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Devil's Paw (Imp Series Book 4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. primaVon P.I.A.am besten hat mir zwar der erste Teil gefallen, aber die Entwicklung mit dem Erzengel Gregory ist prima.Die Hauptfigur hat glcklicherweise vor allem im ersten Buch wenig Hemmungen. Das ist mal erfrischend

anders. Die seelischen Verknotungen kommen später, aber in ertglichem Mae, dazu.

KurzbeschreibungFor once no one wants to kill Samantha Martin. Shes free to do all the things a mischievous imp loves to do- like remove all the county speed limit signs, and wrap City Hall in crime scene tape. Her only worry beyond organizing the delivery of her boyfriends birthday present, is writing those pesky four nine five reports for the Ruling Council of Angels. But imps can never stay out of trouble for long.Demon corpses have been found drained of all energy, their spirit selves ripped clean from their bodies. Sams angel, Gregory, considers her a prime suspect, so when an angel is discovered dead in the same manner, he drags her to Seattle and Juneau to try to clear her name. The race is on to find the murderer before Sams secret is exposed and shes blamed for the deaths. But is a devouring spirit really the killer, or is there more to the deaths than either Sam or Gregory suspect?KurzbeschreibungFor once no one wants to kill Samantha Martin. The race is on to find the murderer before Sams secret is exposed and shes blamed for the deaths. But is a devouring spirit really the killer, or is there more to the deaths than either Sam or Gregory suspect?ber den Autor und weitere MitwirkendeDebra Dunbar primarily writes urban fantasy, but has been known to put her pen to paranormal romance, young adult fiction, and dark fantasy on occasion. She lives on a farm in the northeast section of the United States with her husband, three boys, and a Noahs ark of four legged family members. When she can sneak out, she likes to jog and ride her horse, Treasure. Treasure, on the other hand, would prefer Debra stay on the ground and feed him apples.
