it. It like her style, I like all the action and intrigue, it kept my stomach churning. And I really enjoyed her treatment of the love story. The main characters are wonderful and the way Kat writes about love just grabs the heart. I like her style. Felt like I was right there. I wanted to get to the end, but once it ended I didn't want to be done reading about them!!!!1 von 1 Kunden fanden die folgende Rezension hilfreich. My absolute favorite of the Kat Martin collection...Von Ein KundeI've read 7 of Martin's books...and this one is my absolute favorite! Damien is absolutely gorgeous (I'm sure from Martin's exquisite details) and Alexa is just wonderful! I have yet to read Gypsy Lord (my mom told me to save the best for last) but I'm looking very forward to it!1 von 1 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungThe Played For High Stakes--Passion, Honor, And Revenge...Damien, Lord Falon, made his ruthless proposal to Alexa Garrick at a gaming table where he'd cheated the exquisite young heiress out of a fortune--one night with him would discharge her debt. Yet, as claimed his prize, the handsome earl fought a craving for more than Alexa's body...and when a twist of fate turned seduction into matrimony, rapture and rage warred within him. How could he love the woman whose flirtation had destroyed his brother?Alexa knew of Damien's French blood, scandalous liaisons, and the whispers that branded his a smuggler. Though she was playing with fire, the dark, devilish earl's hungry embrace plucked at her heartstrings with a haunting song of desire. But was Damien spinning a web of deceit and treason, as he brought her to his surf-swept castle?From London's glitter to the dangerous decadence of Napoleon's Paris, Kat Martin will dazzle you with Devil's Prize, her richest, most sensuous romance ever!Pressestimmen"Martin's ... story is delightful and her character insights astute ...
