Von LynWie all die anderen Bcher aus Edwards Serie "The Destiny Club" ist auch dieses ein absoluter Volltreffer!Ich liebe Luke, Cole und Sierra und ich bin froh, dass N.E. nach "Temptation" mit "Devotion" ein zweites Buch ber die Beziehung der drei geschrieben hat !0 von 0 Kunden fanden die folgende Rezension hilfreich. Hot,

Hotter...Luke+Sierra+ColeVon CassandraWhat can I say??? I totally love Luke, Sierra and Cole! I already loved them after Temptation, but now with a closer look behind their feelings, I'm just so *sighs* I loved how their insecurities, their hopes, their fears, their unconditional love for each other, their devotion is shown...and also the difficulties that come along with this kind of relationship and there are ways to make something special legal no matter what.I can't write about the hot, hotter, hottest scenes or this review would combust!Thanks so much to Nicole Edwards...and the glimpse about Sam and Logan and Xanders involvement...I can't wait!!!0 von 0 Kunden fanden die folgende Rezension hilfreich. devotedVon Melwhat could i possibly say more then the once before.I am totally devoted and really i have a hard time to decide which one of all this hot guys i want to claim for myselfSo ready for the next books coming our way i just wish we would not have to wait so long for the next.Club Destiny and Alluring Indulgenc are highly recommended

KurzbeschreibungClub Destiny, #5Ever wonder what life is like after the happily ever after?Attention: Devotion is the follow up story of Luke McCoy, Sierra Sellers and Cole Ackerley from Temptation. This will contain spoilers of the other books within the Club Destiny series. For two very complex, very alpha men, life after love isnt necessarily an easy thing to embrace. Although Sierra Sellers is, and will always be, the lifeline between Luke McCoy and Cole Ackerley, everyday life proves to be the true test of the bond the three of them have forged. No one ever said that life was going to be rainbows and butterflies after the three of them admitted their love for one another. Between their own personal insecurities, a relationship that falls well outside what most people consider traditional, and a baby on the way, the three of them find out that there are still going to be a few ups and downs. With insecurities comes doubt, and no matter what obstacles fall into their paths, the one thing the three of them arent willing to sacrifice is their devotion to one another. Warning: This book contains sexual encounters and graphic language that some readers may find objectionable, including, but not limited to: m/f, m/m, m/f/m, m/m/f encounters, anal sex, exhibitionism, and voyeurism. Contains graphic material that is not suitable for anyone under the age of 18.Erotic RomanceMature AudienceKurzbeschreibungClub Destiny, #5Ever wonder what life is like after the happily ever after?Attention: Devotion is the follow up story of Luke McCoy, Sierra Sellers and Cole Ackerley from Temptation.
