Von Melina Morel : Devour (The Wereslayer Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Devour (The Wereslayer Series Book 1) (English Edition):

No need to rush out and buy....Von AmberSometimes when I buy a book I will look at the write-up, compare it to the cover and then decide if I want to buy or maybe just stick it on my wishlist for later.The write-up for this book sounded good but slightly vague but the cover screamed 'Cool New Urban Paranormal' So of course I couldn't resist. However now I

wish I had just left this book on my wishlist for later. It wasn't bad but it wasn't good. It was good enough that I read it to the end but the story wasn't that exciting and the characters didn't really do anything for me either. Borrow from a friend or leave it on your wishlist and maybe someone will get you a copy for your Birthday. However I wouldn't say this is the must have book that I thought it would be. Although I have to say that I will look out for more books by this author. It will be interesting to see what comes next.

KurzbeschreibungThe cry of the wolf echoes through the Manhattan night, unleashing a campaign of terror that stretches from Madison Avenue to the Jersey suburbs. Evil has surfaced in the form of the last Montfort werewolf, and from now on, nobody is safe until Pierre de Montfort breathes his last. Jeweler to the wealthy by day and full blown werewolf by night, Pierre ravages his turf while the city trembles. Alerted to his presence, the elite Institut Scientifique of Geneva dispatches two of its most famous hunters, Catherine Marais and Paul DuJardin, to take him down, no holds barred. Beautiful Catherine, one of the rock stars of her profession, has another, more personal reason for her trip to NYC: her vampire lover Ian Morgan, a forbidden romance that carries her to the peak of passion and the temptations of the dark side. But her lover has many secrets, and what she discovers during the campaign to vanquish the werewolf confounds everything she ever thought she knew about her seductive, passionate vampire. Will this shocking revelation destroy or only strengthen their love?**ABOUT THE AUTHOR**Melina Morel was born in New Jersey and has lived there her entire life, except for four years at college. During her career as a teacher, she enjoyed traveling and found it interesting to visit with people from various countries and cultures. History has always been a passion, and long before her paranormal romance trilogy, The Wereslayer Series, was published, she wrote two historical novels under a different name. European history has been a particular favorite, especially Russian and Roman. One of Melina's favorite pastimes is walking, and she also enjoys movies, opera, and theater. Italian food is a big favorite too!**PRAISE FOR THE NOVELS OF MELINA MOREL**PreyMorel returns with another terrific tale that combines paranormal politics, theft, and murder. . . .
