KurzbeschreibungPraise for Diamond USA Today best-selling author Taylor Lee does it again! Diamond is the 4th book in Lees provocative new series, Ladies of the Night. Riley Davis, Code Name: Diamond, founded Ladies of the Night after she was fired by the third off the grid security firm for not being a team player. Riley filled her company with women like herselfformer military hotshots who were tired of being dismissed by their male counterparts because of their beauty and independence. The Ladies are covert agents in a highly secret, off the grid security organization. Highly trained fighters, theyre as gorgeous as they are dangerous. The only thing these formidable women are NOT is ladies. Partnering with the elegantly sexy Col. Ross on a covert operation, Diamond finds herself plunged into the cesspool of Washington Politics at the highest levels. When their client turns out to be the #1 suspect in the murder of the man running against him for the U.S. Senate, the two agents are caught in an untenable situation. A situation almost as conflicted as the one that has been brewing between Diamond and her attractive investor.
