This Book was MY FavORite and i have read many of her booksVon Ein KundeWow....1000 words....ok i have read about all of Diana Palmers books that are recent they where excellent but this was my favorite. IT was kind of what you

always wanted to read when the guy and girl hate each other and then he dresses her up and her look really good so he cant resist her. I think it was a wonderful book. I heard it will be on TMC on June 12 or 13th im not sure which i dont get the channel but im hoping to get a copy some how. Anyway for those of you who are intersted in getting this book i definitely recommend it!

This is a fantasitic love story. Kenna and Reagan are ment for each other. I loved the passion and energy between them. I enjoyed the movie even if it wasn't like the book. I defenitely recommend all of Diana Palmer's books. Some of my favorites were "The Best is Yet to Come", "September Morning", and "Hunter".

The book was really wonderful! The movie is now showing on The Movie Channel - it's a little different, but still great! I have read every book written by Diana Palmer! If you haven't had an opportunity to read any of Ms. Palmers work, I highly recommend "Diamond Girl" Enjoy!

Kurzbeschreibung  
All Denny Cole ever noticed was her typing speed. But Kenna Dean promised herself that one day the Atlanta lawyer would see beyond his efficient secretary to the woman beneath.  
It seemed an uphill battle until Denny's partner and stepbrother Regan decided to make her over to catch Denny's eye. But the "solution" backfired when Regan became the problem. She'd distrusted him on sight until he swept her into his practiced arms to an ecstasy she'd never known before. He was grooming her for another man, but suddenly Kenna wanted to capture only Regan's heart.
