Von Beryl Matthews : Diamonds in the Dust before purchasing it in order to gage whether or not it would be worth my time, and all praised Diamonds in the Dust:

Good story - difficult writing styleVon Heinrich BernsThe overall story is a good story - quiet predictable but worth the time. The writing style is very very simple, 90% dialog- many unnecessary (continuously making tea and repetition of

opinion - i.e. don't treat people different just because they were crippled during the war.....). The same story could have been told with half the pages - or less dialog and more narration. I only finished the book because I wanted to confirm my suspicion. This book is definitely suitable for readers 13 and up! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Diamonds in the Dust Von Lilianne Kramera very sympathetic story of the victory over fear and death. Very simply written, sometimes predictable, but nonetheless worthy of reading. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Something easy to read lying in bed with a flu! Von Gillian Platzdasch I found this an easy to read story but not too exciting and the title made me expect something else otherwise a good light story

Kurzbeschreibung London, 1920. The three Bentley children are used to fend for themselves. Their widowed mother has been forced to take a night job at Grants clothing factory, and sees them only at breakfast and on Sundays. But at nearly eighteen, and with a job as a housemaid to help make ends meet, Dora is well able to look after her younger siblings Tom and Lily. Then one morning their mother fails to appear for breakfast, and when Dora is told by the gatekeeper at Grants factory that no one by the name of Harriet Bentley has ever worked there, the children grow worried. They know their mother loves them, and cannot believe she would deliberately deceive them. With the help of a neighbour, a former policeman who was badly injured during the War, Dora and her siblings start to investigate.

Synopsis The three Bentley children are used to fend for themselves. Their widowed mother has been forced to take a night job at Grants clothing factory, and sees them only at breakfast and on Sundays. But at nearly eighteen, and with a job as a housemaid to help make ends meet, Dora is well able to look after her younger siblings, twelve-year-old Tom and little Lily. Then one morning their mother fails to appear for breakfast as usual, and when Dora is told by the gatekeeper at Grants factory that no one by the name of Harriet Bentley has ever worked there, the children grow worried. They know their mother loves them, and cannot believe she would deliberately deceive them. With the help of a neighbour, a former policeman who was badly injured during the War, Dora and her siblings start to investigate...
