Hochzeit? - Nein Danke!
Von Ein KundeKaum kommt der Heiratsantrag wandelt sich die Protagonistion von der absoluten Ehe-Gegnerin zu der von der Hochzeit besessenen Braut - ber die sich sich eigentlich immer lustig gemacht

hat. Ein sehr amantes Buch, nicht nur für Ehe-Muffel! Jeder, der bereits eine Hochzeit hinter sich hat, wird die Probleme und Panikanfälle nur bestens nachvollziehen können - und jene, die diesem "Alptraum" bisher entgangen sind, erfahren was sie so "versumt" oder noch vorsich haben!! Ein unterhaltsames Buch - nicht nur für den Strand geeignet! 0 von 1 Kunden fanden die folgende Rezension hilfreich. It's fun! Von Ein Kunde This is an ideal book for feel-good reading! I read it on the beach. It is about a woman going through the process from having a boy-friend to being engaged to planning a wedding. It's an easy, entertaining and sweet book. I can recommend it to anyone...especially if you know real life "mad brides"....

Kurzbeschreibung Once I was a sane, levelheaded professional woman. Then I said yes. Now I am the lunatic bride I always made fun of! What is it about getting married that turns normal people into total freaks? A savvy, riotously funny novel, *Diary of a Mad Bride* is for anyone who has ever been a bride, is about to become a bride, yearned to be a bride, or suffered the sheer indignity of appearing in public in the world's ugliest bridesmaid dress.... My wedding was starting in less than twenty minutes, and I was stuck in a 7-Eleven parking lot with popcorn kernels wedged in my gums and vanilla ice cream melting on my dress. It was a disaster too large to comprehend. After an agonizing year spent planning my wedding, could it really end like this? The voices chronicling a year of wedding hysteria swirled in my head.... My grandmother upon viewing my engagement ring: What do you mean he gave you an emerald! Diamonds are eternal, emeralds say, maybe five years. My future father-in-law on the night of my engagement party: To a happy marriage and, if necessary, a painless divorce! My best friend, Anita: Oh, screw congratulations. Of course I'm happy for you. Stephens a major piece of ass and he's got a sense of humor. Just as long as you're certain this is what you want. Would I survive this day after all....? **Pressestimmen** Breezy. Publishers
