Von Elizabeth Peters : Die for Love: A Jacqueline Kirby Novel of Suspense (Jacqueline Kirby Mysteries)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Die for Love: A Jacqueline Kirby Novel of Suspense (Jacqueline Kirby Mysteries):

"Die for Love" is so different from her other novels, either in her Barbara Michaels byline, or under her real name, Elizabeth Peters, that I wonder if it is meant as an apology for any skeletons (either literal or literary) that this author might have in her closet. As we learn of the ins and outs of the romance publishing business, the sin of ghostwriting lurks omnipresently in this plot. Whatever little peccadilloes this prolific author might harbor along those lines, her originality, her wit, and her diversity make her one of the best, if not the best, romance novelist in America today. After all, Egyptologists will come and go, but Barbara Michaels' fiction is here to stay. This book is a prime example of the writer at her best.0 von 0 Kunden fanden die folgende Rezension hilfreich. A spoof of bodice-ripping writersVon Ein KundeThis is by far, one of the funniest books written by Elizabeth Peters/Barbara Michaels. She must have written bodice rippers at one time in her literary life to have created characters so true to form. Jacqueline Kirby has got to be one of my favorite sleuths of all time - combining great looks with a talent for spotting trouble.

KurzbeschreibungThe annual Historical Romance Writers of the World convention in New York City is calling to Jacqueline Kirby, a Nebraska librarian who desperately desires some excitement. But all is not love and kisses at this august gathering of starry-eyed eccentrics and sentimental scribes. As far as Jacqueline is concerned, the sudden "natural" death of a gossip columnist seems anything but. And when she's approached by a popular genre star who fears for her own life, the resourceful Ms. Kirby quickly goes back to work...as a sleuth. Because there's a sinister scenario being penned at this purple prose congregation. And when jealousy and passion are given free rein beyond the boundaries of the printed page, the result can be murder.KurzbeschreibungThe annual Historical Romance Writers of the World convention in New York City is calling to Jacqueline Kirby, a Nebraska librarian who desperately desires some excitement.
