older brother Nick were horse playing when an accident occurred, badly scarring Nick. Almost twenty years have passed and Kit, still blaming himself, suffers from nightmares and major pangs of guilt. Kit will do anything to make up for the tragedy he feels that he caused even though Nick does not blame him at all. Kit wants his sibling to receive the title due him from the Queen, but Nick will not travel to the court to accept what is rightfully his. Kit, thinking the accident stops Nick from getting his title, decides to help through other means. He accepts a deal with the acerbic Lady Elisabetta Montmercy, who has a personal ax to grind and will use Kit as her tool to accomplish this act. He will deflower the Queen's newest maid of honor, Anne Blanchemain, while Elisabetta will obtain the title for Kit. However, everything changes for Kit when he meets Anne at the court. Though opportunity arises and he tries to live up to his end of the bargain, he finds he cannot harm Anne. Instead, he and Anne fall in love, but she has been contracted by her grandfather to wed a cruel widower. If Kit allows her to wed, she will probably die from the viciousness of her intended. If Kit tries to stop the nuptials, he will probably die. The loving couple desperately needs to find a way out of their current predicament while obtaining Elizabeth's blessing for them to marry. *LADY IN WAITING* is a wonderful and entertaining historical romance that brilliantly describes the intrigue and power of the court of Queen Elizabeth. Readers will especially enjoy the historical references that are interwoven into the novel by the delightful dexterity of Denise Domning and the secondary characters' abilities to overcome their handicaps. This is one of the best Elizabethan romances to come along in several years. Harriet Klausner

Von jfor3496@gte.net Lady in Waiting has an amazing detailing of the Queen's court, but as for the plot, it was slow and weak through out the book. It drags on and only near the end does it get interesting. Denise Domning would make an excellent historical writer because of all the detail she put in to her book. Just not a historical romance writer.

Kurzbeschreibung Diamonds, doublets and double-crosses; stately dances; religious intrigue; one deflowered maiden and a Virgin Queen--*LADY IN WAITING* has it all. Commanded by her grandfather to snare a wealthy husband, Anne Blanchemain enters the lavish court of Queen Elizabeth. But the beautiful, headstrong Anne is a lamb among wolves, easy prey to treachery and an aging queen's jealousy. She never suspects that handsome courtier Christopher Hollier has been sent to ruin her. Christopher Hollier is the only man in Elizabeth's court uninterested in making a rich marriage--for himself. All that matters to Christopher is reclaiming the title Lord Graistan for his brother. If doing that requires him to destroy Anne, so be it...even if her destruction costs him his life. There's nothing like the court of Queen Elizabeth I for intrigue and suspense, and Denise Domning pulls out all the stops in this exciting historical. Anne Blanchmain has dedicated her life to caring for her ailing mother until her grandfather commands her to take a position in court as one of Queen Elizabeth's maids. The plan is to woo a wealthy husband, but Anne has a few secrets that may pose serious problems. For one, she is not an innocent. Handsome Christopher Hollier seems like the perfect savior, but unbeknownst to Anne he has been blackmailed into ruining the lovely young woman. The stakes are high in this game of life and death where passion reigns supreme, secrets abound, and in the end everyone must please the Virgin Queen.
