Once you start reading, you will not be able to put it down!Von Ein KundeI did not want the book to end. The moment you start reading the first page you will feel transported to 13th Century Scotland and it is like you were there!!. The book is so magnificently written that you are going to feel the wind blowing, and the rain pouring. The characters will make

you cry, will make you laugh, they will make you feel sad and will make you feel happy. Like I said, it is like if you were part of that world. After a tiresome day at my office all I wanted to do was go back to the book (of course my husband does not understand this). The love Diarmid and Michael share is beautiful, deep, and full of magic, it grows between them as an incredible force that they cannot fight against. I have read already, from Susan King, "Laird of the Wind" and "Angel Knight" and I cannot wait for her next release.0 von 0 Kunden fanden die folgende Rezension hilfreich. A beauty! If only all romance novels were this good!Von Ein KundeOnce in a while, if you wade through the mire of mass-produced fiction, you happen upon a keeper. Lady Miracle is such a novel. With a dazzling, detailed Scottish backdrop, this novel employs an original plot and fantastic writing. The dark but fiercely loving hero finds his equally dark and equally loving heroine on a bloody battlefield. King's original plot allows the hero and heroine to fall into a deep and spiritual love without having to go through the usual "I hate you, I love you" mess so common in romance writing. These two fall in love slowly, discovering each other in a quietly beautiful way. Come fall in love with Diarmid and Michaelmas. I did.0 von 0 Kunden fanden die folgende Rezension hilfreich.
