Von Anita Mills : Lady of Fire (The Fire Series Book 4) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lady of Fire (The Fire Series Book 4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Events leading to the Norman Invasion of BritianVon ROLEX91@aol.comAnita Mills retells the tales once told of William the Bastard Duke of Normandy, Matildia of Flanders, his wife, and their unruly brood in a new way by being focused on a couple (Eleanor and Rodger) and their struggle to be together, forever. This is the start of the series that ended(?) with Roses in Winter. Eleanor and Rodger (Lady of Fire) Catherine and Guy (Fire and Steel) Richard and Gilliane

(Hearts of Fire) Elizabeth and Giles (The Fire and the Fury) and William and Arabella (Roses in Winter)The addition of the fictional characters does not detract from the historical accuracy. Ms Mills does quite well in bringing the great historical dramas played by Kings and Queens down to the levels that affected the people they ruled. These are all rather interesting books that provide a great deal of depth to a particular period in history. Lady of Fire in particular, because it brings to life the Norman court and the conflicts over property and personal desire. 0 von 0 Kunden fanden die folgende Rezension hilfreich. One of the best of the genre Von Ein Kunde This is the first of the series and I have read all of the books until they're almost falling apart. I totally agree with another reviewer's wish that Anita Mills would return to the characters in this series. I can't recommend this book enough. Can I give it more than 5 stars? 0 von 0 Kunden fanden die folgende Rezension hilfreich. One of my all-time favorites!!!! Von Ein Kunde I have had this book and the rest of the Fire series for nearly nine years. I love this family and I wish Ms. Mills would return to this era and this style of writing! Please write about Jamie, Arabella's son, from Winter Roses- I think that would make a wonderful story....

Kurzbeschreibung In 11th century Normany, a passionate story of romance, chivalry, and forbidden love. Beautiful Eleanor of Nantes is pursued by many great noblemen, including the evil Robert of Belesme and charming Prince Henry, son of William the Conqueror. But it is the dashing Roger FitzGilbert, born a bastard with no title to his name, who sweeps her off her feet. Their love may be forbidden, but their passion is undeniable..."Anita Mills makes a phenomenal debut...splendid...a highly romantic, action-packed tale of enduring love." - Romantic Times Kurzbeschreibung In 11th century Normany, a passionate story of romance, chivalry, and forbidden love.
