Von Tori Phillips : Lady Of The Knight (Mills Boon Vintage 90s Modern) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lady Of The Knight (Mills Boon Vintage 90s Modern):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent histoical romanceVon Ein KundeIn 1550 France, Rosie stands on display at Quince's prostitute tent. Bawdmaster Peter Quince plans to sell the beautiful virgin for a night of debauchery to the highest bidder. Sir Andrew Ford and his three friends observe the sale. Andrew comments that with a bit of soap and instruction he could turn the virgin into a lady. One of Andrew's companions bets him that he is unable to change the "strumpet" into a lady within twelve days. Andrew pays a fortune to outbid an irate Sir Gareth Hogsworthy.To Rosie's shock, Andrew treats her to a hot tub, good food, and excellent clothing. He begins to teach her how to behave like a lady. However, as he begins to fall in love with his charge, his conscience bothers him because he knows she must return soon to the

bawdmaster.LADY OF THE NIGHT is an excellent historical romance that is part humor and part serious, but total fun. The entertaining story line is a sixteenth century version of Pygmalion that mirrors Shaw's play as to who is really the teacher and who is the student. The lead characters are warm and enchanting while the secondary cast adds depth with some of them deserving their own tales to be told by terrific Tori Phillips. Harriet Klausner1 von 1 Kunden fanden die folgende Rezension hilfreich. A 'fun' romance to read! Von Davis0056 This was a real joy to read. It moved along quickly and I loved both of the two main characters. It was nice to see a 'not so young' hero winning the prize 'Rose.' It is always more interesting to me when a historical romance is set during a real time and place. This is the best book I've read in months. I hope to read more about Jack and some of the other secondary characters in the future! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Phillips does it again! Von Ein Kunde Tori Phillips keeps writing some of the best romance around! If you want to read a book that keeps your eyes pasted to the page, then this is the book for you! It is so funny and heart-warming it brought me to tears! This book will stay on the keeper shelf for years to come!

Kurzbeschreibung SIR ANDREW FORD WAS NOBODY'S FOOL He knew that looks could be deceiving. And though his friends warned him that Rosie would be nothing but trouble, there was something very special about the woman beneath the tangled mane of hair and the dirt-smudged face. Indeed, something so special that he brazenly wagered he could teach the seemingly ordinary strumpet to be a lady fit to meet the king in less than a fortnight. But little did the jaded knight suspect that Rosie would be the first woman to teach him the true meaning of love!
