Von Gayle Wilson : Lady Sarah's Son before purchasing it in order to gage whether or not it would be worth my time, and all praised Lady Sarah's Son:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A beautifully told storyVon Ein KundeIt's no big surprise that Gayle Wilson should have a way with words. With her teaching background, her work with gifted children, one would expect finely crafted, vivid prose. But Ms. Wilson is far more than a wordsmith: she is an artist, conveying a sense of time and place, making her readers empathize with her finely drawn characters, balancing historical accuracy with contemporary sensibilities in ways that prove that romance novels can be far more than simply escapist fare.LADY SARAH'S SON is not your ordinary marriage-of-convenience story. This is a story about forgiveness and honor and loyalty, about a love strong enough to rise to the surface of a veritable ocean of fear and doubt. These are not perfect people; they are REAL people, people we care

about and root for, and, in the end, rejoice with. Ms. Wilson captures the period for us naturally and unobtrusively, the mark of a truly talented historical writer.1 von 1 Kunden fanden die folgende Rezension hilfreich. Sarah Spenser had a perfect life -- Von Holly Fuhrmann (hfur@aol.com) a life that revolved around the future she planned to build with her fiancé, Justin Tolbert. But when she leaves home, returns with a baby and sends her fiancé a "Dear Justin," letter, that life she envisioned is forever changed. Four years later, Justin is the new Earl of Wynfield, a title that carries more debt than anything else. And Lady Sarah has an offer -- marry her, provide a role model for her four year old, Drew, and she'll pay off the estate's debt. Their marriage could put an end to their problems, but can it be the beginning of something rare and wonderful as well? LSS is a definite skip-to-the-top-of-the-TBR-pile read. Sarah and Justin's rediscovery of a love that never truly died, and their love for one small boy is a heartwarming read that won't let go of you for some time to come!1 von 2 Kunden fanden die folgende Rezension hilfreich. A story that makes you feel good Von Davis0056I totally agree with the two previous readers and their reviews. I read this story in less than a weekend and I only wish it was longer!

Kurzbeschreibung Justin Tolbert was a war hero and the new Earl of Wynfield, but he was not the same man Lady Sarah Spense once knew. Suddenly, too vividly, Sarah remembered the night he had first asked her to dance. The London ballroom had been overcrowded, its heat stifling. Justin had been wearing his uniform, the handsome regimentals setting off the perfection of his strong body and his still-boyish face. She had thought then that there was no man more handsome in the room. She had stepped willingly into his arms, and when the music had begun, she had drifted, following his lead. They had moved together without conscious thought. As if the two of them had been created to dance together. Would they ever do that again? Don't miss Gayle Wilson's extraordinary tale! Autorenkommentar A penniless peer and a fallen woman. . . . a moving tale of love overcoming great obstacles, of promises kept, and trust restored." Four Stars from Romantic Times. According to gossip, four years ago Lady Sarah Spenser bore a baby out of wedlock. Now, not only is Sarah an outcast from her own society, but so is the child she loves more than she loves her own life. . . or her pride. And she knows there is only one man--the man Sarah jilted four years ago--who is so admired in the district that he could win acceptance for Drew and allow the little boy to take his rightful place in English society. Gravely wounded in the service of his country, Justin Tolbert, the new Earl of Wynfield, has returned to England to find that his brother has bankrupt the family estates in his absence. There seems no way he can save his home and protect his tenants from being thrown off their land. No way until the woman he once loved proposes a marriage of convenience--and a bargain. Sarah Spenser offers to pay off all of Justin's debts and restore his properties if he will be a father to the little boy who should have been his own son. Justin, however, isn't sure he can live in the same house with the woman who betrayed him--the woman he has discovered he still loves--and with the child who is a constant reminder of her infidelity.
