Kurzbeschreibung Invitation to Pleasure As the wife of the elderly Earl of March, Olivia Covington has never known the intimacies of the bedroom. Though her curiosity is piqued by the shocking whispers of society ladies, she is too wary of causing scandal to indulge in an affair. But Tristan Knightley, Earl of Newcastle, tempts her to throw off propriety. Tristan wants Olivia for his own, and has sworn off all others until he can rid himself of the obsession. He is sure once he has a taste, he will tire of her, and can return to his rakish existence. Unable to wait to have her in his bed, he invites her for a tryst at Lady Seductress's Ball... 24,000 words
