many great reviews but seriously I never imagined it to be so good. Erin is a real hot rocker chick with Dreadlocks and a really open and direct personality. Todd is really hawt but he's a little shy concerning his preference in the rack. He's afraid of other people judging him and thinks what he wants is wrong. Tsk, men!!! They can have issues. They share a few nights but part ways for nearly ten years. When they meet again nothing is the same. Todd is more confident with his sexuality. He realized that he will never be happy unless he stands up for his wishes and stops hiding his real self from the world. Erin is still strong but has a few issues to live with. Her life was more than hard but she tries to stay herself and doesn't want to cower under her past. I totally admired her- strong but not untouchable by her past. And then we have Ben- he's a real sweetie. He kind of stands at the sideways: In their relationship they are all kind of equal but for the outside he is the FRIEND living with the married couple. It's a hard situation and in the beginning he isn't sure if his position is really the same one as Todd's. The story was great and we don't have to talk about the sex part because we all know Lauren Dane totally knows how to write these scenes- shockingly good and in great detail. It's one of the best m/f/m mnage books I ever read. Unlike most other books in this department this book has a real story- a heartbreaking, emotional story (me the crybaby). It's full of raw emotion and sexual attraction all in a great mix. Just perfect! Warning for all who don't know Lauren Dane: This book is full explicit sex and definitely not for the faint of heart. 4 von 4 Kunden fanden die folgende Rezension hilfreich. Schne emotionale Story Von Lyn Erin Brown, erfolgreiche Rockmusikerin, und Cop Todd Keenan, haben eine kurze heie Affre miteinander. Erin steht auf D/s. Er eigentlich auch, traut sich aber nicht dies auch zu leben. Daher beendet er die Beziehung. Nach 10 Jahren treffen sich wieder und sofort sprhen die Funken wieder zwischen den beiden. Die Gefhle fr einander sind immer noch sehr stark und schnell sind die beiden wieder ein Paar, auch weil Todd mittlerweile zu seinen Neigungen steht. Aber mittlerweile ist einiges im Leben der beiden geschehen, ganz besonders Erin's Schicksal hat mich sehr berhrt. Ihre Beziehung bekommt eine besondere Wendung, als Todd's bester Freund Ben ins Spiel kommt und allen drei wird schnell klar, dass es hierbei um mehr geht als eine reine Freundschaft. Okay, die Sexszenen im Buch sind uerst hei (leicht BDSM, Menage) aber in diesem Buch geht es um mehr als Sex. Es handelt von einer starken Frau, die sich nach Jahren der emotionalen Einsamkeit erneut der Liebe ffnet und gleichzeitig versucht mit dem fertig zu werden, was das Schicksal ihr beschert hat.

Kurzbeschreibung Its been ten years since clean-cut, sexy-as-hell police officer Todd Keenan had a white-hot fling with wild, uninhibited rocker Erin Brown. What happened between them got under his skin even if love wasn't in the cards just yet. Now that they're back together, picking up where they left off is tough in light of Erin's troubled past. As Todd earns her trust, their relationship takes an unexpected turn. Todd's best friend, Ben, comes to play, arousing their deepest fantasies. The passion they share transforms Erin, but it may not be enough to face the evil she thought she had left behind.
