**Von Christine Feehan : Lair of the Lion** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lair of the Lion:

KundenrezensionenHilfreichste Kundenrezensionen11 von 11 Kunden fanden die folgende Rezension hilfreich. a wonderful fairy tale story without vampiresVon Ein KundeThis book is not a sequel to Feehans vampire series and

written in another writing style, but nevertheless a must read for Feehan-Fans. It's a story about a girl who seeks the help of a mysterious and dangerous Lord who might save her brother's life. When she enters his domain, she finds a haunted, gothic castle where strange things happen and lions wander around. The only one who can control the beasts is the master of the castle with a lion-like appearance ... The story resembles a little bit "Beauty and the Beast", but it's a complete different approach to this tale with hot love scenes and funny dialogues. And also magic plays an important role in this fantasy-romance. Don't miss it! 5 von 6 Kunden fanden die folgende Rezension hilfreich. one hot beauty and the beast Von Intan although some readers thought some of the storylines are cliches, i think 'Lair of The Lion' has a quality of its own. This book is even better than CF's decreasing ability to capture the readers with her dark series. As forever, there's always mystery behind the dark and elusive hero. however this time, there's a curse, which is quite refreshing from CF's never ending story about the carthapian males (good looking, macho, tender and everything) 1 von 1 Kunden fanden die folgende Rezension hilfreich. spannend, romantisch, guter Schreibstil Von Tanja Grimm Christine Feehan hat einen sehr guten Schreibstil. Die Geschichten sind spannend, die Hauptfiguren haben immer sehr ausgeprägte Persönlichkeiten, auch die Frauen. Nebst spannender Geschichten kommt auch die Romantik nicht zu kurz. Es sind sicher eindeutig Frauenromane

**Kurzbeschreibung** The Queen of paranormal romance. USA Today A classic from #1 New York Times bestselling author Christine Feehan, *Lair of the Lion* is a dark-edged and enthralling take on the beloved Beauty and the Beast fairy tale. It is the breathtaking story of a beautiful, penniless aristocrat who promises herself to the handsome, powerful, mysterious, and not wholly human Don Nicolai DeMarco in order to free her imprisoned brother even though legend has it that the Don will destroy any woman he weds. Perhaps best known for her bestselling Dark series, featuring the haunted and mesmerizing immortal Carpathians, Feehan is arguably the biggest name in paranormal historical romance and any reader who loves passionate love stories tinged with the supernatural should enter the Lair of the Lion. From Publishers Weekly Best known for her vampire romances (*Dark Guardian*, etc.), Feehan adds a gothic twist to a classic fairy tale in this eerie and engrossing 19th-century romance. In a desperate attempt to save her brother, Lucca, from the evil clutches of the grasping lord who has imprisoned him, Isabella Vernaducci, a courageous but impoverished noblewoman, ventures into the Alps to search for the elusive and dangerous Don Nicolai DeMarco, believing him the only man powerful enough to save Lucca. To her surprise, Nicolai offers her a deal: he will aid her if she consents to be his bride. Isabella agrees before learning of the DeMarco curse which condemns the DeMarco men to be seen as "the beast" and prophecies that Nicolai will "rip the heart" from the one he loves. Suspense simmers in the DeMarco keep, where chilling cries are heard long into the night and Nicolai's "pet" lions roam. Though the relationship between Nicolai and Isabella is overwrought at times he frequently tries to save her from himself by attempting to send her away they're a perfectly matched pair in terms of temperament, and their steamy sex scenes heat up the pages. With its guileless heroine, masterful hero and mystical overtones, Feehan's inspired retelling is likely to garner her the attention she deserves. Copyright 2002 Reed Business Information, Inc. Werbetext In *Lair of the Lion*, Christine Feehan adds a gothic twist to the classic fairy tale 'Beauty and the Beast' in this eerie and engrossing nineteenth century romance.
