I enjoyed reading about the Indian tribes. Her books regarding the Lakota tribe is very interesting. I am hooked on reading about Wind Dancer and his family and friends. Lakota Dawn and Winds kept me on the edge of my seat. I could not put the books down. I have recommended them to many of my friends. I can not wait until she publishes the next book in the sequel.1 von 1 Kunden fanden die folgende Rezension hilfreich. Captivating Story!Von PRT40@aol.comThis was the first of her books I have read and now I am going to search for more. I loved the book and was unable to put it down..I read it in

less than 24 hours...just couldn't wait to see what was going to transpire for the pair of lovers and the intriguing events of the this great historical romance. It is a must have book!0 von 0 Kunden fanden die folgende Rezension hilfreich. Janelle Taylor is the greatest!!!Von Ein KundeI just finished this book. I have read quite a few of Ms. Taylor's books and loved them all. I love the way she draws you into the day-to-day lives of the Indians she writes about. I strongly urge anybody who loves reading about the Indian way of life and their different Ceremonial Rituals to read the books that this wonderful lady writes. I love her books and can't wait to read the rest in the Lakota Skies series. :o)

KurzbeschreibungFrom New York Times bestselling author Janelle Taylor comes Lakota Winds, the first book in a magnificent Native American saga of a tribe, a family, and the struggle for survival that joins two hearts-and threatens to consume a nation. When his wife and young son are slaughtered by Crow warriors, Wind Dancer is let embittered and lonely. Intent only on duty to his people, he never imagines that it will force him to take another woman into his life. Chumani too has lost much to tribal wars. Seeking revenge for the murder of her husband and child, the beautiful warrior rides fiercely against her enemies, and vows never again to marry. But when a medicine man sees her union with Wind Dancer in a sacred vision, she knows their alliance will make both their tribes strong. Now, beneath the wide sky of a land at war with itself, Wind Dancer and Chimani must learn to trust again-and to succumb to a love that can heal-if they ever hope to save their people.KurzbeschreibungFrom New York Times bestselling author Janelle Taylor comes Lakota Winds, the first book in a magnificent Native American saga of a tribe, a family, and the struggle for survival that joins two hearts-and threatens to consume a nation.
