KurzbeschreibungNew York Times and USA TODAY bestselling author and master of romance Bertrice Small

welcomes you to the magical, sensual World of Hetar. For Lara, a half faerie, half human, her beauty is a blessing and a curse. Sold into a Pleasure House by her father, she commits herself to a lifetime of servitude. But even in a place where pleasure is not censured but encouraged, her otherworldly beauty proves too much for her suitors. When Lara escapes, she is introduced to a new way of life, and an incredible man who opens her eyes to the growing unrest among their people and the extraordinary destiny that awaits her. Lara will journey the depths of desire and despair to find a love that will last an eternity, a love that will change Hetar forever.

From Booklist: For Lara, the half-faerie daughter of John Swiftsword, her beauty is a blessing and curse. To raise money for her father, she agrees to be sold to a Pleasure House, but it turns out that no one, either because they fear her faerie heritage or her unnatural beauty, is willing to bid on her. Instead, Lara is put on a trading caravan heading to the coastal kingdoms of Hetar. First sold to the Forest Lords, who sexually abuse her, Lara escapes to the Desert Kingdom, where a Shadow Prince introduces her to the arts of seduction and desire. When Lara finally reaches the Outlands and meets one of its leaders, Lord Vartan, she discovers her true destiny.

Best-selling Small begins a new fantasy romance that does have a few of her signature elements--including a heroine whose sexual experiences involve other men beside the hero--but some readers may miss the vibrant, richly detailed settings and wonderful period flavor of Small's beloved historicals.
