White woman falls in love with a local. Mother and daughter stop talking and just before dead they get back together. But anyway. I love Jodi Picoult. The way she writes and puts the words is always great.0 von 0 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungFrom Jodi Picoult, #1 Sunday Times bestselling author of *The Storyteller* and *My Sister's Keeper*, comes a gripping and beautifully written novella, now available exclusively as an eBook. *Larger Than Life* introduces Alice, the unforgettable character at the centre of Picoult's much anticipated new novel, *Leaving Time*. Alice is a researcher studying memory in elephants, and is fascinated by the bonds between mother and calf - the mother's powerful protective instincts and her newborn's unwavering loyalty. Living on a game reserve in Botswana, Alice is able to view the animals in their natural habitat, as long as she obeys one important rule: she must only observe and never interfere. Then she finds an orphaned young elephant in the bush and cannot bear to leave the helpless baby behind. Alice will risk her career to care for the calf. Yet what she comes to understand is the depth of a parent's love.
