Von Genevieve Turner : Las Morenas: The Complete Series (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Las Morenas: The Complete Series (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Das Umschlagbild tuscht Von Hollenfeld (mal wieder) darber hinweg, dass es sich hier um eine spannende "Familiensaga"

handelt. In ihrer Romanfolge entfaltet Genevieve Turner das Sittengemälde eines hauptsächlich indischen Californiens, in dem die alte spanisch-mexikanische Lebensart auf moderne Entwicklungen prallt. Was natürlich reichlich Stoff für Verwicklungen bietet. Von Frauenemanzipation, sich anfeindenden Ethnien, aufeinander prallenden landwirtschaftlichen Interessen, Stadtleben, Mißbrauch und Mord bis hin zur Liebe werden etliche Themen aufgegriffen. Und das in einer recht ausgewogenen Mischung, denn Genevieve Turner ist keine dieser Mchtegern-Autorinnen, die dumme Liebesgeschichten runterschreiben und Erotik in dümmlich-dünne Rahmenhandlungen betten. Die Romanlinge kommen mir sehr entgegen. Lang genug für gute Schilderungen, kurz genug um nicht zu langweilen. Mehr möchte ich gar nicht verraten. Ich hatte mit Las Morenas 0 angefangen und fand die Geschichte so unterhaltsam, dass ich mir kurzentschlossen gleich diesen Sammelband gekauft und es nicht bereut habe. Wer sich für Liebesromane aus dem "wilden Westen" interessiert, könnte hier nette Lesestunden verbringen.
