**Von M. Pierce : Last Light: The Night Owl Trilogy** before purchasing it in order to gage whether or not it would be worth my time, and all praised Last Light: The Night Owl Trilogy:

KundenrezensionenHilfreichste Kundenrezensionen1 von 2 Kunden fanden die folgende Rezension hilfreich. LAST LiGHT was an amazingly moving and frustrating erotic Romance! I couldn't put it down! Can't wait for book #3!Von Bianca @BJsBBNight Owl ended with this weird epilogue that led us to believe that Matt was dead - or rather, will be dead in Book #2.So that's how Last Light starts....with the following line:December is the cruelest month to die in.But of course we already know from reading the blurb that Matt is not really dead - he just pretends to be.He hated how his

name became public knowledge in Night Owl and since he thinks he won't be able to write and live a happy life anymore, he came up with the idea to disappear forever. But of course it only sounds smart and romantic in his head. Living with Hannah in a secluded place somewhere in the world.... Hannah doesn't want to leave her family and her dream job, but she agrees to help him with his weird plan... He will die and hide in a cabin in the mountains... And Hannah will have to deal with the media, his agent Pam, and his family. Especially his brothers. Nate and Seth. Then, a few days after Matt's death a book appears online - a very explicit book that tells the story of Matt and Hannah. But who could've written that?? Matt is dead - Hannah says it wasn't her... Who else could it be? Who was close enough to the couple to know all those intimate details? The readers know who this person is - but brother Nate doesn't - and he won't stop until he sued the hell out of whatever idiot dares to disrespect his little brother in such a way! Then Hannah is confronted with Matt's other brother.... Seth.... There will be many lies and secrets .... and with Matt and Hannah not living together.... can their relationship survive everything that happened and everything that is coming their way???

I REALLY LOVED THE BOOK! Ugh!! This series is sooo amazing! So different from other books out there. Matt is such an a\*\* - such a total Anti-Hero really, but we totally love his assholery!!..... he's sooo adorable and hot and sexy and dominant and cute and did I mention adorable? With his cute little pet rabbit?? oyy I'm not sure which book I loved more - Night Owl or Last Light... They were both intensely captivating but at the same time amazingly different .... Once Matt's other brother Seth appeared in the story, I was a bit torn - because as everybody knows, I have a huge thing for RockStars - but he fortunately inherited a bit of the Sky-family-Assholery Well - but - Matt's assholery doesn't stop us from loving him... so ... I was not sure about Seth and where the story will go with him in the beginning ;) As I was reading the first 10-30% I noticed I started reading steadily slower and slower - I didn't want to get to the end - I was pretty sure there would be some kind of horrible Cliffhanger... But of course I had to give up the slow-reading at some point - you just HAVE to know how the story continues.... This was such an emotional book... Lots of scenes that made me cry!!! Lots of verry sexy scenes and very sexy phone-scenes But most of it was really absolutely emotional. Everything that happened - everything Matt did and all his mistakes and lies and secrets - it all comes back to haunt him in the end, and we suffer along with both of them. It was all so very moving and sad and there were some - or lots of moments where I wanted to slap or shake the hell out of our Night Owl!!! Grrrr - that man!! I was really scared where this was all going ... BUT I LOVED EVERY SECOND OF THIS BOOK!!!! And if you fell in love with Matt and Hannah in NIGHT OWL - you will love them even more now - even though you might spent a few moments hating on our poor troubled author LAST LIGHT was an amazingly moving and frustrating erotic Romance! I couldn't put it down! And now please dear Author - hurry with book #3!!!!!! 0 von 1 Kunden fanden die folgende Rezension hilfreich. Almost as good as the first one! Von Johanna I loved Night Owl, I absolutely adored that book. I loved that concept and the characters because they were different. I was curious how the author would go on with this series. But I thought the sequel was very convincing. A man as difficult and mysterious as Matt would naturally cause more problems. And that, he did... After Matt has gone public, he is overwhelmed by society's attention. Always having been a very private person he can't cope with that much trouble and media invading his life. As we could already read at the end of the last book, he and Hannah decide to go AWOL. But Hannah can't leave her life and her dream job. Consequently, the problems are about to pile up. Matt's character definitely is a "love-him-hate-him" kind of guy. He's so used to lying to everyone that he just can't knock it off. He thinks he's protecting Hannah or some other ulterior motive but the truth is that he can't completely trust her. Hannah is still a bit difficult for me. I could understand her love for this complex man, her adoration of his quirks, even though his brooding is often childish and his aggression can be scary. But I couldn't understand her forgiveness. Not at all. I liked that the author introduced Seth, Matt's brother, as a new character. I even would have enjoyed a few chapters from his perspective because he seems like a very interesting man to me. I guess he could even have his own book. But the best thing about this series is how M. Pierce plays with our mind. The way she weaves fiction and reality together is absolutely mind-blowing. The book is about Matt Pierce, the author, who writes Night Owl and Last Light along with experiencing them. That's just wickedly twisted! I love that the author doesn't repeat patterns from the first book as many other authors do in a series like that. The relationship between Hannah and Matt develops very naturally. Everything is not solved by the end of this book and I can't wait to read the next one. The Night Owl trilogy is just the perfect mix of drama, angst, sex appeal and the little bit of extra confusion.

Kurzbeschreibung Tensions rise, secrets grow bigger, and passions run deeper-and hotter-in Last Light, the second novel of the Night Owl Trilogy from bestselling author M. Pierce. Matt Sky is missing. After a solo ascent of Longs Peak that left only a large blood stain, tatters of climbing clothing, and the tracks of an animal in the snow, he is presumed dead. Hannah Catalano is guarding a secret: she knows Matt is alive. After Matt's memorial service, she lingers on the East Coast with his family, but it soon becomes clear that his brothers' motives are less than gracious. Nate Sky is bent on tracking down the author of Night Owl, a book that charts the last days of Matt's life with uncanny and scandalous accuracy, and which appeared only after his death. Seth Sky is bent on getting Hannah into his

bed. Hidden away in the woods, Matt and Hannah strive desperately to maintain their ruse and their relationship-but their web of lies only tightens as Matt struggles with the consequences of his decision, and Hannah tries to escape Nate's libel suit and fend off Seth's advances...until Hannah is put in danger, and Matt must make a life or death choice.
