Von David Baldacci : Last Man Standing (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Last Man Standing (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen9 von 9 Kunden fanden die folgende Rezension hilfreich. Breathtaking action and excellent as usual storytellingVon Ein KundeDavid Baldacci has proven once again that he is

a master of storytelling. From the moment go, Last Man Standing left me yearning for page after page, gripping me to the last word of the book. Baldacci's attention to detail (which suggest enormous research and preparation for each book) and insight into the FBI and HRT made me believe that I was seeing and living everything. After Wish You Well, I was dying for a real thriller. Therein lies his strength. An excellent read for David Baldacci fans and those who like great storytelling. 12 von 13 Kunden fanden die folgende Rezension hilfreich. absolut lesenswert !!! Von Ein Kunde
Eins der besten Bcher, die ich je gelesen habe. Selbst wenn die deutsche Version herauskommen sollte, wrde ich die englische lesen, da die Sprache einfach einzigartig wirkt. Das Buch fngt interessant an und wird im Laufe der Zeit immer besser... Stndig Wendungen im Geschehen, die man nie erwartet htte. Das Buch berzeugt von der Ersten bis zur letzten Seite. Spannend, berraschend, fesselnd und absolut berzeugend !!! 1 von 1 Kunden fanden die folgende Rezension hilfreich. HRT (Hostage Rescue Team) but who is rescuing you while pageturning? Von Roger
The Last Man Standing, Web London, is the hero of this story. He is not just a man, he is a highly trained and brave member of HRT at FBI. Baldacci shows part of the life of a HRT member. He shows some techniques, how an assault team is trained and how they force their enemies to either give up or to die. The plot switches in three different actions. One being the childhood of Web, one the short past and the last one his actual order. In his short past he is the only survivor of his team and he is driven by anger to find out, who has killed his friends from HRT. The book never gets boring and at the end I have asked myself, why it was the last page. Be careful because HRT does not rescue you from not lying the book down and getting to less sleep.

Kurzbeschreibung
Web London was trained to penetrate hostile ground and come out alive. Then ten seconds in a dark alley cost him everything: his friends, his fellow agents, his reputation. Among his super-elite FBI Hostage Rescue Team, Web was the sole survivor of a high-tech, devastating ambush. Now Web is trying to put his life back together and understand what really happened. To get answers, he'll need the help of psychiatrist Claire Daniels and the one other human being who lived through the attack - a ten-year-old boy. But when his search leads him back to that bloodstained alley, Web suddenly realizes he is about to face his assassin again. And this time, one of them will become the Last Man Standing.
.de
Last Man Standing has the essential elements of a terrific David Baldacci novel: a tough but tender-hearted hero, dirty dealings in the nation's bureaucracy, and a roller-coaster plot. Web London, a member of the FBI's Hostage Rescue Team, froze up on a drug raid and thus became the sole survivor of a remote-controlled ambush that killed six of his compatriots. Now the only witness has disappeared and the inside man on the botched raid has gone underground. As a pretty psychiatrist puzzles over the corners of Web's brain that kept him alive, Web himself stays on the move. He's certain that the ambush is connected to the prison escape of a neofascist leader, Ernest B. Free, whom he helped arrest five years earlier, and a series of new murders leads him to a Virginia horse farm and the driving force behind all the carnage. It may seem as though Baldacci gives away the mastermind too soon, but both the bad guys and the good guys are complex enough that there's plenty of punch all the way to the last page. --Barrie Trinkle.co.uk
