Von Elmore Leonard : Last Stand at Saber River before purchasing it in order to gage whether or not it would be worth my time, and all praised Last Stand at Saber River:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. a rare, compelling read - a league of its ownVon RK Hawkins'Last Stand at Saber River' is one of those hard-to-find books: a jam-up, three-carat diamond. Leonard's books keep getting bigger and more powerful as they go. Truely a remarkable Western! It strips the romanticism from the old West, but retains the blood and guts violence, as well as the high

excitement of the frontier, filled with wonderful twists and turns that will make your flesh creep - satisfaction guaranteed! The eight Westerns Leonard has written simply have put him in the top rank of western novelists ... and he wouldn't have needed as much as eight. One of them would have been sufficient, but TG that we got eight at least, although for fans this is far from enough! Fast-paced, dictated by precise, right-down-to-the-core language this book is as raw and hardboiled as Westerns are supposed to be - whereas other Westerns got mere teeth this one's got real fangs, that will tear at you if you don't be careful. Prepare ... without delay ... for THE LAST STAND AT SABER RIVER!

Kurzbeschreibung A quiet, haunted man, Paul Cable walked away from a lost cause hoping to pick up where he left off. But things have changed in Arizona since he first rode out to go fight for the Confederacy. Two brothers Union men have claimed his spread and they're not about to give it back, leaving Cable and his family no place to settle in peace. It seems this war is not yet over for Paul Cable. But no one's going to take away his land and his future not with their laws, their lies, or their guns. Werbetext A nail-biting, tough-talking classic western from the author of GET SHORTY and JACKIE BROWN. Kurzbeschreibung A quiet, haunted man, Paul Cable walked away from a lost cause hoping to pick up where he left off. But things have changed in Arizona since he first rode out to go fight for the Confederacy. Two brothers Union men have claimed his spread and they're not about to give it back, leaving Cable and his family no place to settle in peace. It seems this war is not yet over for Paul Cable. But no one's going to take away his land and his future not with their laws, their lies, or their guns.
